My project is about Lilly Ledbetter and her *Pay Fair Act*. I chose this topic because I am a woman and thought it would be a good opportunity to learn about this situation. In my thesis I explained how Lilly Ledbetter stood up for what she wanted for her and other women. When she found out she was getting a lower pay she knew it would be a fight to make things right. But she also knew that as soon as her Act was signed, women would have equal pay including her self. She found out she was getting a lower wage at work by finding a note. She was so upset that when she got home she told her husband that they were going out there to fight and fight hard.

With my research it was not that hard to find information about the court case since it was so recent. My primary sources were websites and videos. The videos helped a lot because I actually got to hear it from the source Lilly Ledbetter. The videos also helped in a way to get to know Lilly Ledbetter. There were some really good websites about her case. In fact there is an actual Lilly Ledbetter website that I am pretty sure that Lilly wrote herself. I did not need to go to a library to get information. However, if you want to learn more about the Act Lilly Ledbetter does have a book called *Grace and Grit: My Fight for Equal Pay and Fairness at Goodyear and Beyond*.

I chose my presentation by eliminating presentations I have already done or just did not seem interesting. So I ended up doing a website. I chose to do a website because I have never created a website before. I worked individually because I liked to keep track of what I do. I also like to be organized and have all the copies of information. My category was a good fit for my thesis because I wanted to show videos of Lilly Ledbetter explaining the situation itself.

My theme Lilly Ledbetter and her act connects with the topic of leadership and legacy because it shows how one person like Lilly Ledbetter can change something that needs to be changed. Lilly Ledbetter really showed a lot of leadership and she defiantly left a legacy. She showed leadership in her act by standing up for what she wanted to change for women and she also wanted to stand up for herself and show what she went through in her two decades at Goodyear. She left a legacy by actually getting her act signed by the president and changing lots of women lives.
