General Manuel Iricibar:

The Army and Politics in Argentina, 1962-1973 Robert A. Potash, 1969 Third volume of in depth analysis of the army Format is similar to previous two volumes There is however more emphasis on the internal maneuvering which characterizes the period The detail is based on information provided by the participants A worthy successor to the other studies and essential for analysis of the period For reviews of vol 1 see HLAS 31 7229 and HLAS 32 2599a Handbook of Latin American Studies v 58 The New Pan-Americanism and the Structuring of Inter-American Relations Juan Pablo Scarfi, David M. K. Sheinin, 2022-03-16 What is Pan Americanism People have been struggling with that problem for over a century Pan Americanism is and has been an amalgam of diplomatic political economic and cultural projects under the umbrella of hemispheric cooperation and housed institutionally in the Pan American Union and later the Organization of American States But what made Pan Americanism exceptional The chapters in this volume suggest that Pan Americanism played a central and lasting role in structuring inter American relations because of the ways in which the movement was reinvented over time and because the actors who shaped it often redefined and redeployed the term Through the twentieth century new appropriations of Pan Americanism structured restructured and redefined inter American relations Taken together these chapters underscore two exciting new shifts in how scholars and others have come to understand Pan Americanism and inter American relations First Pan Americanism is increasingly understood not simply as a diplomatic commercial and economic forum but a movement that has included cultural exchange Second researchers political leaders and the media in several countries have traditionally conceived of Pan Americanism as a mechanism of US expansionism This volume reimagines Pan Americanism as a movement built by actors from all corners of the Americas **Official Congressional Directory** United States. Congress, 1966 **The Interamerican scene**, 1971 **Una batalla de todos los días** Juan Pablo Csipka, 2024-07-10 El retorno a la democracia en 1983 abrió un tiempo de ilusión y de esperanza después de años de dictadura Sin embargo el triunfo del radicalismo no significaba la consolidación democrática acechaba sobre todo la cuestión militar Situarse en el levantamiento carapintada de Semana Santa en 1987 permite comprender el posterior desencanto popular pero a su vez el camino de la subordinación del poder militar a la democracia A más de cuarenta años de la recuperación de la democracia el periodista Juan Pablo Csipka nos introduce en un viaje singular a través de la década de 1980 se sitúa en los hechos de Semana Santa el momento de máxima incertidumbre y reconstruye los momentos cruciales de la transición democrática El Juicio a las Juntas las leyes de Punto Final y Obediencia Debida las posteriores rebeliones con la deriva de los controvertidos indultos serían hitos de la cuestión militar Con gran agudeza el autor describe y analiza otros factores clave de esos años de transición como el peronismo los poderes económicos la Iglesia los medios de comunicación y los organismos de Derechos Humanos Y narra hechos fundamentales en esta consolidación democrática que abarca también parte de la presidencia de Carlos Menem El ataque del Movimiento Todos por la Patria MTP al regimiento de La Tablada la hiperinflación

los saqueos la entrega anticipada del gobierno de Alfonsín y finalmente los indultos a los militares y a los líderes de organizaciones guerrilleras. Una crónica completa fruto de una profunda investigación de los años en los que recuperamos la democracia gracias a una batalla de todos los días. La instauración de la democracia significa una batalla de todos los días: batallas grandes o batallas pequeñas contra los residuos del autoritarismo. Raúl Alfonsín

Bajo el poder de la caballería
Daniel Horacio Mazzei, 2016-05-30. Concluidas las escaramuzas cuyos escenarios fueron parque y plazas de Buenos Aires que proporcionaron la victoria de la facción azul sobre la colorada, los hombres de la caballería líderes del grupo triunfante se hicieron con el control de los principales mandos del Ejército argentino. Esta investigación analiza el rol de los oficiales de esa arma entre septiembre de 1962 y mayo de 1973, período durante el cual restablecieron los estándares de disciplina y autoridad jerárquica al tiempo que dominaron apelando a ascensos, retiros y traslados los puestos clave de la estructura de mandos del Ejército. Bajo la hegemonía de esta camarilla, la mayoría de sus integrantes con un pasado común de luchas antiperonistas, se intensificó el punto de quiebre en los niveles de autonomía de las Fuerzas Armadas en relación al poder político y a su vez se llevó a cabo la transformación doctrinaria de la institución, la cual agregó una nueva hipótesis de conflicto a las acostumbradas contra Brasil y Chile: la Doctrina del Enemigo Interno, que suministró tanto un nuevo patrón de interpretación para los conflictos políticos y sociales como una justificación para sus futuras intervenciones políticas.

The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and thrilling novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
