MD,2025-09-15 PACU Nursing Manual A concise practical guide for the most critical moments in patient care In today s fast
paced healthcare settings Post Anesthesia Care Unit PACU nurses play a vital role in ensuring patient safety during recovery
from anesthesia Yet structured PACU specific education is often limited until now The PACU Nursing Manual delivers a clear
evidence based framework to support nurses in managing the complex physiological emotional and procedural challenges
that occur immediately after anesthesia Developed by Prof Dr Admir Hadzic and NYSORA s international team of
anesthesiologists and nurse educators this manual bridges the gap between anesthesia and nursing practice It s written for
action clarity and real world use not as a theoretical textbook but as a practical bedside companion for nurses in training
educators and clinical leaders What You ll Find Inside Comprehensive PACU coverage Airway management hemodynamic
stability pain control thermoregulation delirium and discharge readiness Step by step nursing protocols Structured
frameworks for monitoring intervention and documentation Case vignettes and checklists Real world examples to connect
clinical reasoning with bedside application Algorithms and flowcharts Visual quick references for high pressure decision
making Evidence based practice Recommendations supported by the latest anesthesia and perioperative care research
Special population chapters Pediatric geriatric and complex case management Each chapter is concise visual and built for
immediate clinical application More Than a Textbook Your PACU Companion This manual brings structure and confidence to
one of nursing s most demanding environments Whether you re a new PACU nurse experienced recovery room clinician or
educator this book offers the practical insights needed to enhance patient outcomes and strengthen team collaboration
Finally a PACU manual written for the people who actually manage patients emerging from anesthesia clear structured and
incredibly useful This manual turned my PACU orientation from overwhelming to empowering Every nurse should have it
