Genesis Translation And Commentary:

Genesis Robert Alter, 1997-09-02 A translation of Genesis which attempts to recover the meanings of the ancient Hebrew and convey them in modern English prose It is accompanied by a commentary and annotations and aims to illuminate the original work without any touch of the fake antique **Genesis**, 1996-10 Alter's rare combination of fluent translation and insightful commentary makes this the perfect edition of Genesis for anyone drawn to this formative work in our culture With a translation that attends to the usages rhythms and narrative patterns of biblical Hebrew and a commentary which deepens readers understanding of Genesis without being intrusive this book is the Genesis for our generation and beyond Robert Fagles **Slightly Bad Girls of the Bible** Liz Curtis Higgs, 2018-07-24 Good Women Behaving Badly A spiteful boss a defiant employee a manipulative mother a desperate housewife an envious sister honey we know these women We've lived with them worked with them or caught a glimpse of them in our mirrors Now let's take a look at their ancient counterparts in Scripture Sarah mistreated her maidservant Hagar despised her mistress Rebekah manipulated her son Leah claimed her sister's husband and Rachel envied her fertile sister They were far from evil but hardly perfect Mostly good yet slightly bad In other words these matriarchal mamas look a lot like us A Slightly Bad Girl is simply this a woman unwilling to fully submit to God We love him serve him and worship him yet we find it difficult to trust him completely to accept his plan for our lives to rest in his sovereignty from *Slightly Bad Girls of the Bible* **Bible Translation on the Threshold of the Twenty-first Century** Athalya Brenner, J. W. van Henten, 2002-01-01 In this Amsterdam based volume eight experts on Bible translations present essays concerning the practises of translating the Bible for the present and the future through Christian and Jewish approaches in Western Europe and North America as well as in the former Eastern Bloc and in Africa Each paper will be followed by a response Contributors include S Noorda J Rogerson S Crisp R Carroll M Korsak E Fox J Punt L Sanneh and other noted academics who write responses to the essays **Malestrom** Carolyn Custis James, 2015-06-02 Updated and expanded with a new foreword by Kristin Kobes Du Mez author of *Jesus and John Wayne* Malestrom provides a redemptive vision of biblical manhood and a way through the treacherous seas of patriarchy Like the danger of a maelstrom in the open seas a relentless force threatens our culture swirling with hidden currents that distorts God's image of personhood This book reveals how the malestrom is one of the Enemy's single most successful strategies Its victories are flashed before us every day in the headlines as men lose sight of who God created them to be It has consumed the evangelical church that stoops to offering toxic manly solutions to the wrongs it perceives in society and distracts from the rich potential God has entrusted to his sons Digging deeply into the stories of men in the Bible who subverted cultural hierarchies Carolyn Custis James shows us how countercultural God's design for men really is Through personal story biblical commentary and cultural analysis Custis James Makes a strong case for the unbiblical nature of patriarchy Illuminates the sociology of marginalization and cultural gender roles Takes a close biblical look at Jesus and what his character and humanity means to the men of the

church today Malestrom offers what we so desperately need a biblical global timeless vision of godly personhood that is big enough to encompass the diversity of men s lives and strong enough to withstand the crises they face It is one thing to critique the abuses of a domineering masculinity and lament the religious and societal consequences but Carolyn Custis James takes the next crucial step and offers us a better path forward For those asking What now Malestrom serves as a sure footed guide Kristin Kobes Du Mez *T&T Clark Handbook of the Doctrine of Creation* ,2024-03-07 The T how the doctrine of creation informs and is informed by various dogmatic commitments and how the doctrine of creation relates to a range of human concerns and activities The Handbook represents a celebration of fascination with bewilderment at lament about and hope for all that is and serves as a scholarly innovative and constructive reference for those interested in attending to what Christian belief has to contribute to thinking about and living with the mysterious existence named creation *The House of the Mother* Cynthia R. Chapman,2016-10-25 A novel approach to Israelite kinship arguing that maternal kinship bonds played key social economic and political roles for a son who aspired to inherit his father s household Upending traditional scholarship on patrilineal genealogy Cynthia Chapman draws on twenty years of research to uncover an underappreciated yet socially significant kinship unit in the Bible the house of the mother In households where a man had two or more wives siblings born to the same mother worked to promote and protect one another s interests Revealing the hierarchies of the maternal houses and political divisions within the national house of Israel this book provides us with a nuanced understanding of domestic and political life in ancient Israel *The Hostess* Tracy McNulty,2007 *The Oxford Handbook of the Reception History of the Bible* Michael Lieb,Emma Mason,Jonathan Roberts,2013-01-10 This wide ranging volume looks at the reception history of the Bible s many texts Part I surveys the outline form and content of twelve key biblical books that have been influential in the history of interpretation Part II offers a series of in depth case studies of the interpretation of particular biblical passages or books **Israel** Daniel I. Block,2008-10-01 A collection of essays responding to the radical claims that Israel and its history actually began following the Babylonian exile and that the history of Israel we read about in the Bible is a fictionalized account
