Hidden Message Plotting Points:

The Secret Message of Jesus Brian D. McLaren, 2007-04-01 When Brian McLaren began offering an alternative vision of Christian faith and life in books such as *A New Kind of Christian* and *A Generous Orthodoxy* he ignited a firestorm of praise and condemnation that continues to spread across the religious landscape To some religious conservatives McLaren is a dangerous rebel without a doctrinally correct cause Some fundamentalist websites have even claimed he is in league with the devil and have consigned him to flames To others though Brian is a fresh voice a welcome antidote to the staleness superficiality and negativity of the religious status quo A wide array of people from Evangelical Catholic and Mainline Protestant backgrounds claim that through his books they have begun to rediscover the faith they lost or rejected And around the world many readers say that he has helped them find for the first time in their lives a faith that makes sense and rings true For many he articulates the promise of what is being called emerging Christianity In *The Secret Message of Jesus* you will find what is at the center of Brian's critique of conventional Christianity and what is at the heart of his expanding vision In the process you will meet a Jesus who may be altogether new to you a Jesus who is Not the crusading conqueror of religious broadcasting Not the religious mascot of partisan religion Not heaven's ticket checker whose words have been commandeered by the church to include and exclude judge and stigmatize pacify and domesticate McLaren invites you to discover afresh the transforming message of Jesus an open invitation to radical change an enlightening revelation that exposes sham and ignites hope an epic story that is good news for everyone whatever their gender race class politics or religion Pastor and best selling author McLaren revisits the gospel material from a fresh and at times radical perspective He does an excellent job of capturing Jesus' quiet revolutionary style Publishers Weekly starred review Here McLaren shares his own ferocious journey in pondering the teachings and actions of Jesus It is McLaren's lack of salesmanship or agenda that creates a refreshing picture of the man from Galilee who changed history Donald Miller Author of *Blue Like Jazz* In this critical book Brian challenges us to ask what it would mean to truly live the message of Jesus today and thus to risk turning everything upside down Jim Wallis Author of *God's Politics* and editor of *Sojourners* Compelling crucial and liberating a book for those who seek to experience the blessed heat of Christianity at its source Anne Rice Author of *Christ the Lord* Out of Egypt
