and accountability On the partnership between BBC and S4C it is unclear how S4C can retain its independence under the new arrangements It is extraordinary that the Government and the BBC should agree such wide ranging changes without consultation or giving S4C any notice or say at all The Committee is particularly concerned that National Audit Office still does not have the promised access to conduct independent assessments of the BBC s value for money The Committee is also disappointed that banded information on talent salaries is still not in the public domain The BBC opened itself to predictable ridicule with the decision to hire a migration manager who had to commute from the United States to manage the transition to the new Salford site The report concludes that big questions remain over how radically the BBC needs to reconfigure both content and delivery in the years ahead **How to Find Out About Physics** B. The book also examines and contrasts the latest thinking by the regularity authorities Providing a compelling exploration of the industry's failings and present difficulties and the impact of future disruption this timely thought provoking book will be of great interest to students researchers and professionals as well as policy makers in accounting financial reporting corporate reporting financial statement analysis and governance
