Behavioral Therapy Workbook for Personality Disorders Jeffrey Wood, 2010-05-01 Symptoms of personality disorders may seem to differ widely but all personality disorders are characterized by entrenched patterns of thinking and behavior. Based in cognitive behavior therapy (CBT), a proven effective treatment for personality disorders, this workbook can help you reconnect with life by teaching you a set of key skills for overcoming difficulties associated with the eleven most common personality disorders. You'll learn stress reduction, relaxation, and emotion regulation techniques and how best to communicate and cope with others while keeping your personality disorder-related behaviors in check. **How to Find Your Soul Mate** Lisa Oliver, 2006-01-01 **Know Yourself** Ole Jakob Filtvedt, Jens Schröter, 2023-12-31 The book explores ancient interpretations and usages of the famous Delphic maxim "know yourself." The primary emphasis is on Jewish, Christian, and Greco-Roman sources from the first four centuries CE. The individual contributions examine both direct quotations of the maxim as well as more distant echoes. Most of the sources included in the book have never previously been studied in any detail with a view to their use and interpretation of the Delphic maxim. Thus the book contributes significantly to the origin and different interpretations of the maxim in antiquity as well as to its reception history in ancient philosophical and theological discourses. The chapters of the book are linked to each other by numerous cross-references which makes it possible to compare the different views of the maxim with each other. It also helps readers to notice relationships and trajectories within the material. The explorations of the relevant sources are also set in the context of ongoing debates about the shape and nature of ancient conceptions of self and self-knowledge. The book thus demonstrates the wide variety of philosophical and theological approaches in that the injunction to know oneself could be viewed and how these interpretations provide windows into ancient discourses about self and self-knowledge. **How to Find Your Super Awesome Sassy Self!** Melissa Young-Dorn PhD, 2014-11-05 How to FIND your Super Awesome Sassy Self is loaded with cutting-edge tools and strategies to build a strong foundation that gets you out of your comfort zone and into your visions and dreams.
