Workers Can Win Ian Allinson,2022-10-20 The Covid climate and cost of living crises all hang heavy in the air It s more obvious than ever that we need radical social and political change But in the vacuum left by defeated labour movements where should we begin For longtime workplace activist Ian Allinson the answer is clear organising at work is essential to rebuild working class power The premise is simple organising builds confidence capacity and collective power and with power we can win change Workers Can Win is an essential practical guide for rank and file workers and union activists Drawing on more than 20 years of organising experience Allinson combines practical techniques with an analysis of the theory and politics of organising and unions The book offers insight into tried and tested methods for effective organising It deals with tactics and strategies and addresses some of the roots of conflict common problems with unions and the resistance of management to worker organising As a 101 guide to workplace organising with politically radical horizons Workers Can Win is destined to become an essential tool for workplace struggles in the years to come Occupational Health & Safety Solutions Ian Bollans,David Preece,2024-05-31 Health and safety legislation places significant responsibilities on employers and managers to protect the health and safety of their workers but the subject area is seen as both complex and technical in nature often requiring the input of professionals This book dispels these myths by taking a unique approach allowing somebody with little or no knowledge of the subject to understand their legal duties and then take a practical step by step approach to control workplace risks and prevent accidents Occupational Health Safety Solutions Practical Compliance is a reworking and updating of Jordan Publishing s Health and Safety Management published by LexisNexis from 1997 to 2023 The book takes a comprehensive approach by covering the main subject areas of occupational health and safety and is relevant to all types of workplaces It provides enough background knowledge for the reader to understand what the law requires and what needs to be done to achieve compliance with the main emphasis being on practical application Providing the reader with the ability to manage health and safety through a process of flowcharts diagrams and extensive checklists the book draws on the expertise of the authors and current best practice within industry Each chapter sets out a clear practical approach to identifying and managing risks thereby enabling a robust and successful health and safety management system to be established in any workplace The book is written for non safety professionals such as managers and directors who want to discharge and manage their health and safety responsibilities in their workplace without the need to engage a consultant It will also appeal to the safety professional by providing an authoritative guide to current best practice together with the practicalities of managing health and safety risks International Health and Safety at Work Phil Hughes,Ed Ferrett,Phil Hughes MBE,2021-11-29 International Health and Safety at Work has been specially written in simple English for the

thousands of students who complete the NEBOSH International General Certificate in Health and Safety each year Fully revised in alignment with the 2019 syllabus this fourth edition provides students with all they need to tackle the course with confidence Clear easily accessible information is presented in full colour with discussion of essential principles such as ILO and OSH conventions as well as legal frameworks from a range of countries The book features practice questions and answers to test knowledge and increase understanding International Health and Safety at Work remains the most effective tool for those working to fit international health and safety standards to local needs and practice

Making Sense of Risk Management Roy Lilley, Paul Lambden, 2016-07-14 What you really need to know about risk management clinical governance law and ethics Now completely revised and updated Making Sense of Risk Management a workbook for primary care breaks down complex issues and presents them in an easily comprehensible manner Addressing current issues such as the new GP Contract and the rapid rise in litigation this new edition takes on a more rigorous approach but maintains the same light hearted style with more detailed and definitive guidance The format makes use of tips warnings tables exercises and think boxes providing an informative interesting and engaging read All primary care staff including General Practitioners managers nurses health visitors administrative staff and receptionists will find this book invaluable

Introduction to Health and Safety in Construction Phil Hughes, Ed Ferrett, 2008-06-12 Highly illustrated and easy to read this text covers the specific challenges faced by the construction industry as well as the basics of occupational safety and health in general It includes checklists report forms and record sheets

Easy Guide to Health and Safety Phil Hughes, Liz Hughes, 2008-06-20 Do you need to get to grips with health and safety principles but don't have time to wade through reams of legislation and guidance Do you need practical step by step guidance on health and safety issues for your small business Then this is the book for you The jargon free Easy Guide to Health and Safety introduces the health and safety issues which the self employed and managers directors and staff with health and safety responsibilities in small businesses face every day Words and legislation are kept to a minimum and the text is supported by numerous relevant illustrations The book is packed with practical guidance and solutions as well as handy checklists and forms for your basic health and safety needs especially useful when setting up a new business The book is also suitable for students on IOSH Working Safely and NVQ level 1 and 2 courses from City Guilds and other NVQ awarding bodies Phil Hughes is a well known UK safety professional with over thirty years world wide experience He was Chairman of NEBOSH from 1995 2001 and President of IOSH in 1990 91 Phil received the RoSPA Distinguished service award in May 2001 and became a Director and Trustee of RoSPA in 2003 He received an MBE in the New Year Honours List 2005 for services to Health and Safety Liz Hughes taught psychology in further and higher education She went on to qualify as a social worker specializing in mental health and later moved into the voluntary sector where she managed development for a number of years Liz has achieved NVQ training modules D32 33 and 34 and has tutored students completing NVQ awards Her psychology and education background means that she is skilled in
