college football and basketball during the mid to late 20th century were dominated by a few get rich quick schools Though the NCAA was responsible for controlling such facets of college sports the organization was unwilling and unable to control the excesses of the few who opposed the majority opinion The result was a period of corruption rules violations unnecessary injuries and overspending These events led to the formation of larger conferences richer bowl games and rules intended to preserve the money making value of college football and basketball This book explores gambling academic fraud illegal booster activity and the single minded pursuit of television contracts in college sports as well as the NCAA s involvement or lack thereof in such cases

Dark Mirror Barton Gellman, 2020-05-19 Engrossing Gellman is a thorough exacting reporter a marvelous narrator for this particular story as he nimbly guides us through complex technical arcana and some stubborn ethical questions Dark Mirror would be simply pleasurable to read if the story it told didn t also happen to be frighteningly real Jennifer Szalai The New York Times From the three time Pulitzer Prize winner and author of the New York Times bestseller Angler the definitive master narrative of Edward Snowden and the modern surveillance state based on unique access to Snowden and groundbreaking reportage around the world Edward Snowden touched off a global debate in 2013 when he gave Barton Gellman Laura Poitras and Glenn Greenwald each a vast and explosive archive of highly classified files revealing the extent of the American government s access to our every communication They shared the Pulitzer Prize that year for public service For Gellman who never stopped reporting that was only the beginning He jumped off from what Snowden gave him to track the reach and methodology of the U S surveillance state and bring it to light with astonishing new clarity Along the way he interrogated Snowden s own history and found important ways in which myth and reality do not line up Gellman treats Snowden with respect but this is no hagiographic account and Dark Mirror sets the record straight in ways that are both fascinating and important Dark Mirror is the story that Gellman could not tell before a gripping inside narrative of investigative reporting as it happened and a deep dive into the machinery of the surveillance state Gellman recounts the puzzles dilemmas and tumultuous events behind the scenes of his work in top secret intelligence facilities in Moscow hotel rooms in huddles with Post lawyers and editors in Silicon Valley executive suites and in encrypted messages from anonymous accounts Within the book is a compelling portrait of national security journalism under pressure from legal threats government investigations and foreign intelligence agencies intent on stealing Gellman s files Throughout Dark Mirror Gellman wages an escalating battle against unknown adversaries who force him to mimic their tradecraft in self defense With the vivid and insightful style that is the author s trademark Dark Mirror is a true life spy tale about the surveillance industrial revolution and its discontents Along the way with the benefit of fresh reporting it tells the full story of a government leak unrivaled in drama since All the President s Men

Generation Jobless? P. Vogel, 2015-03-05 Offering guidance on the opportunities and threats for future generations and featuring interviews with business leaders this book provides a constructive look at change It directs the youth to become job creators not job seekers and to approach the corporate and

political worlds with an entrepreneurial mind set **The Songs We Know Best** Karin Roffman, 2017-06-13 The first biography of an American master The Songs We Know Best the first comprehensive biography of the early life of John Ashbery the winner of nearly every major American literary award reveals the unusual ways he drew on the details of his youth to populate the poems that made him one of the most original and unpredictable forces of the last century in arts and letters Drawing on unpublished correspondence juvenilia and childhood diaries as well as more than one hundred hours of conversation with the poet Karin Roffman offers an insightful portrayal of Ashbery during the twenty eight years that led up to his stunning debut Some Trees chosen by W H Auden for the 1955 Yale Younger Poets Prize Roffman shows how Ashbery's poetry arose from his early lessons both on the family farm and in 1950s New York City a bohemian existence that teemed with artistic fervor and radical innovations inspired by Dada and surrealism as well as lifelong friendships with painters and writers such as Frank O'Hara Jane Freilicher Nell Blaine Kenneth Koch James Schuyler and Willem de Kooning Ashbery has a reputation for being enigmatic and playfully elusive but Roffman's biography reveals his deft mining of his early life for the flint and tinder from which his provocative later poems grew producing a body of work that he calls the experience of experience an intertwining of life and art in extraordinarily intimate ways
