**Managerial Accounting** , *Managerial Accounting* Jerry J. Weygandt, Paul D. Kimmel, Donald E. Kieso, 2018-06-06  
Managerial Accounting provides students with a clear introduction to fundamental managerial accounting concepts. One of the major goals of this product is to orient students to the application of accounting principles and techniques in practice. By providing students with numerous opportunities for practice with a focus on real world companies, students are better prepared as decision makers in the contemporary business world. , *Weygandt's Managerial Accounting* Jerry J. Weygandt, Paul D. Kimmel, Donald E. Kieso, 2017-09-05  
Weygandt's Managerial Accounting provides students with a clear introduction to fundamental managerial accounting concepts. This edition helps students get the most out of their accounting course by making practice simple. Designed for a one semester undergraduate Managerial Accounting course, the authors provide new opportunities for self-guided practice, allowing students to check their knowledge of accounting concepts, skills, and problem-solving techniques, and receive personalized feedback at the question, learning objective, and course level. Newly streamlined learning objectives help students use their study time efficiently by creating clear connections between the reading and video content and the practice homework and assessment questions. Using metric units and companies with a more global feel, this new text is ideal for courses across the world. **Managerial Accounting** Susan Hermanson, James Don Edwards, Roger Hermanson, 2018-01-31  
Thoroughly updated in 2017, 10e builds on the strengths of previous editions and continues to provide a thorough understanding of how to use accounting information to analyze business performance and make business decisions. Uses real companies to illustrate many of the accounting concepts and covers a variety of issues associated with these actual businesses to provide a real world perspective. Combines solid coverage of financial accounting for business students regardless of the selected major and provides non-accounting majors a solid foundation for making effective use of accounting information. *Management Accounting* Carsten Berkau, 2023-09-25
