Managing Human Resources 7th Edition Powerpoint:

HUMAN RESOURCE MANAGEMENT, SEVENTH EDITION PATTANAYAK, BISWAJEET, 2025-06-02 Human intellect remains irreplaceable. Despite rapid technological advancements and the rise of artificial intelligence, technology will always serve as a tool to enable progress rather than replacing the human touch. In any organization, human resources are the most valuable asset, and managing them is often more complex than handling technology due to the absence of programming or automation. In today's fast-evolving global business environment, the role of human resource management (HRM) has undergone a significant transformation. HRM is now more strategic, playing a crucial role in adding value to organizational goals. Changes in workforce demographics, business dynamics, and technological innovations have prompted a revision of this book's content to ensure it remains relevant and aligned with contemporary needs. The seventh edition of this book is a thoroughly updated and revised version designed to enhance students' understanding of HRM in the rapidly changing business world. It incorporates the latest research, applications, and real-world examples to bridge theory and practice effectively.

FEATURES OF THE SEVENTH EDITION

- Chapters organized according to the Harvard Framework
- Complete revision and updating of all chapters
- Inclusion of the latest sector developments
- Focus on contemporary HR practices
- Introduction of new HR models, illustrations, and practical examples
- Integration of Indian case studies in each chapter

Human Resource Management John Bratton, Jeff Gold, Andrew Bratton, Laura Steele, 2021-12-30

Authoritatively and expertly written, the new seventh edition of Bratton and Gold's Human Resource Management builds upon the enduring strengths of this renowned book. Thoroughly updated, topical, and accessible, this textbook explores the theory and practice of human resource management and will encourage your students to reflect critically on the realities of the ever-changing world of work. The new edition truly captures the zeitgeist of contemporary human resource management. With coverage of the Covid-19 pandemic in relation to business ethics, physical and mental wellbeing, inequality, and the rise of the gig economy and precarious work, students will feel connected to the complex issues that face workers, organisations, and wider society. This edition also includes expanded coverage on the ever-palpable effects of globalization and technological change and explores the importance of sustainable practice. Students will gain critical insight into the realities of contemporary HRM, engaging with the various debates and tensions inherent in the employment relationship and understanding the myriad of different theories underpinning human resource management. New to this edition: New Ethical Insight boxes explore areas of current ethical concern in trends and practice. New Digital Spotlight boxes explore innovations in technology, analytics, and AI and the impact on workers and organisations. Topical coverage on job design and the rise of the gig economy and precarious work. A critical discussion of the core themes and debates around human resource management in the post-Covid-19 era, including mental health and wellbeing. A rich companion website packed with extra resources, including video interviews with HR professionals, work-related films, bonus
