Examination of Educator Standards Mathematics 115 test prep with TestWare CD was designed to help teacher candidates in Texas pass their exam and start teaching. Written by a Texas education expert, our test prep is perfect for students out of state teachers and career changing professionals who are looking to become Texas Middle School Grades 4-8 Mathematics teachers. The book is completely aligned with the most recent TExES 115 Mathematics exam and targets exactly what you need to know to excel on the test. A comprehensive review guides you through all the content topics tested on the TExES including Number Concepts, Patterns, Algebra, Geometry, Measurement, Probability, Statistics, Mathematical Processes, Perspectives, Mathematical Learning, Instruction, and Assessment. Two full-length multiple choice practice tests in the book help you test your knowledge and focus on areas in need of improvement. Each practice test is balanced to include every type of question, subject area, and skill tested on the actual exam. Our practice tests replicate the TExES question format, allowing you to assess your knowledge and gauge your test readiness. Both of the book's practice exams are featured on our TestWare CD with the most powerful scoring and diagnostic tools available today. Automatic scoring and instant reports help you zero in on the topics and types of questions that give you trouble now so you'll succeed when it counts. Every practice exam comes with detailed feedback on every question. We don't just say which answers are right; we explain why the other answer choices are wrong so you'll be prepared on test day. Our detailed explanations of answers let you identify strengths and weaknesses while building your skills. This complete test prep package comes with a customized study schedule and REA's test-taking strategies and tips. REA books and software have proven to be the extra support teacher candidates need to pass their challenging tests for licensure. Our comprehensive test preps are teacher recommended and written by experts in the field.
