October

Standard(s)	Students develop an awareness of and interaction with literature in a variety of formats for the purpose of personal enrichment and information. Contributing to discussions in which multiple viewpoints on a topic are expressed.
Learning Target	I can only "Boost" by reading and answering the questions.
Whole Lesson	Place one task card on the student desk or table, pulling them in numerical order. Give each student a recording sheet and a pencil that will move with them from seat to seat. Start by having each student complete one task. They will write their answer in the blank on their recording sheet that corresponds to the number on the task card. After about a minute (I use a timer), the teacher says, "Boost" and the students quickly stand up, leave the card at their desk, take their recording sheet with them, and move to the next seat with the next number. Play until all cards have been completed. https://drive.google.com/file/d/1Wwz0B8WzDwLJPM8t4v0t8mwdTn4LskOQ/view?usp=sharing
