### A Call to Action:

#### Regulate Use of Cell Phones on the Road

When a cell phone goes off in a classroom or at a concert, we are irritated, but at least our lives are not endangered. When we are on the road, however, irresponsible cell phone users are more than irritating: They are putting our lives at risk. Many of us have witnessed drivers so distracted by dialing and chatting that they resemble drunk drivers, weaving between lanes, for example, or nearly running down pedestrians in crosswalks. A number of bills to regulate use of cell phones on the road have been introduced in state legislatures, and the time has come to push for their passage. Regulation is needed because drivers using phones are seriously impaired and because laws on negligent and reckless driving are not sufficient to punish offenders.

No one can deny that cell phones have caused traffic deaths and injuries. Cell phones were implicated in three fatal accidents in November 1999 alone. Early in November, two-year-old Morgan Pena was killed by a driver distracted by his cell phone. Morgan's mother, Patti Pena, reports that the driver "ran a stop sign at 45 mph, broadsided my vehicle and killed Morgan as she sat in her car seat." A week later, corrections officer Shannon Smith, who was guarding prisoners by the side of the road, was killed by a woman distracted by a phone call (Besthoff). On Thanksgiving weekend

Title is centered.

Opening sentences catch readers' attention.

Thesis asserts Angela Daly's main point.

Daly uses a clear topic sentence.

Signal phrase names the author of the quotation to follow.

No page number is available for this Web source.

Author's name is given in parentheses; no page number is available.

# Mla Format Sample Paper

**Diana Hacker, Nancy Sommers**

## **Mla Format Sample Paper :**

*Rules for Writers with 2009 MLA and 2010 APA Updates* Diana Hacker, 2010-06-08 *Rules for Writers* succeeds because it has always been grounded in classroom experience. By looking at her own students' needs, Diana Hacker created an affordable and practical classroom tool that doubles as a quick reference. Developed with the help of instructors from two and four year schools, the sixth edition gives students quick access to the information they need to solve writing problems in any college course. Amazon.com viewed August 7 2020     *A Canadian Writer's Reference with 2009 MLA and 2010 APA Updates* Diana Hacker, 2010-05-24 Click here to find out more about the 2009 MLA Updates and the 2010 APA Updates. A proven success. *A Canadian Writer's Reference* Fourth Edition remains the easiest reference tool to use and understand. Updated with Canadian content and conventions, the fourth edition features new contributing authors who bring a wider range of teaching practice to the book and who have shaped a writer's handbook that serves an even broader and more diverse student body.

**Rules for Writers with Writing about Literature (Tabbed Version)** Diana Hacker, Nancy Sommers, 2012-01-16 When it comes to value, *Rules for Writers* is a college writer's companion that covers writing, grammar, research, and documentation in an extremely affordable and portable spiral bound format. From the best-selling family of handbooks, *Rules* has consistently been the best value for college writers. Now it's even more so. The Seventh Edition actually teaches students how to make better use of their handbook. With new material about how to integrate the handbook into lessons and class activities, *Rules for Writers* is an even more useful tool for instructors. We like *Rules* because it's affordable, easy to use, and flexible enough for multiple courses. Anne Helms, Alamance Community College     *Patterns of Power, Grades 9-12* Jeff Anderson, Travis Leech, Holly Durham, 2023-10-10 Traditional grammar instruction often focuses too much on what's right or what's wrong, hiding the true power of conventions, the creation of meaning, purpose, and effect. Instead of hammering high school students with the mistakes they should avoid, Jeff Anderson, Travis Leech, and Holly Durham suggest exploring grammar through the celebration of author's purpose and craft. In *Patterns of Power, Grades 9-12 Teaching Grammar Through Reading and Writing*, they invite you to create an environment in which writers thrive while studying and appreciating the beauty, effects, and meaning of grammar. Inside this book, teachers will find a comprehensive explanation of the brain-based *Patterns of Power* invitational process, as well as 35 standards-aligned lesson sets built around practical, engaging, inquiry-based methods that take deeper dives into grammar and craft than any worksheet, quiz, or editing exercise ever could. A variety of high-interest model texts from authentic and diverse sources, including excerpts from classic and current novels, memoirs, plays, graphic novels, poems, and media. Real-life classroom examples and tips with suggestions for scaffolding new learning and ideas for how to use the lessons in AP courses. Templates for extended application, easy to locate printables, and ready-to-go visuals. Additional Models for Further Study for extension opportunities in every lesson set. An entire chapter devoted to helping high school writers master citations in research. With hundreds of teach tomorrow

resources and implementation supports such as quick reference guides specific applications to reading instruction and soundtrack suggestions to infuse the joy of music into grammar instruction Patterns of Power Grades 9 12 gives you everything you need to inspire your high school writers to move beyond limitation and into the endless possibilities of what they can do as writers The Patterns of Power series also includes Patterns of Power Grades 6 8 Inviting Adolescent Writers into the Conventions of Language Patterns of Power Grades 1 5 Inviting Young Writers into the Conventions of Language Patterns of Wonder Grades PreK 1 Inviting Emergent Writers to Play with the Conventions of Language and Patterns of Power en Espa ol Grades 1 5 Inviting Bilingual Writers into the Conventions of Spanish

**A Writer's Reference with Strategies for Online Learners** Diana Hacker,Nancy Sommers,2011-06-24 With Strategies for Online Learners Cover

**Rules for Writers** Diana Hacker,Nancy Sommers,2011-09-16 A writing handbook that provides rules guidance tutorials and exercises on the writing process document design clarity grammar punctuation mechanics argument and research

**The International Student's Guide to Writing a Research Paper** Janine Carlock,Maeve Eberhardt,Jaime Horst,Peter Kolenich,2017-06-13 The International Student s Guide to Writing a Research Paper is a reference text for undergraduate students and those in ESL or bridge courses who are writing a research paper for the first time This book is partly an update of Writing a Research Paper by Lionel Menasche 1998 and partly a companion to The ESL Writer s Handbook Each section of the book includes a discrete task called a Building Block which requires students to apply the skills learned toward the development of their own paper This step by step approach allows students to construct knowledge as they become more familiar with the process making writing a research paper a less intimidating task Special features This guide uses simple direct language for those for whom writing a research paper is new Most example writing is from international students in an ESL program or first year writing class including two sample papers one in APA and one in MLA A section on responding to instructor feedback to provide students with the tools to read and understand comments and use them to improve the first draft A subsection dedicated to constructing clear and cohesive paragraphs and sentences The guide includes citation and style examples in MLA 8th edition

**From Notepad to iPad** Matthew Gillispie,2013-11-26 This book is a one stop shop for secondary teachers looking to use iPads effectively in the classroom The author provides a clear and practical overview of how to implement the technology manage it and use it successfully Each chapter is full of tips and engaging classroom activities Teachers at all levels of experience and comfort with technology will benefit from the ideas and resources in this book Special Features Screen shots and other visuals to help you use the recommended apps and websites Strategies for managing technology use in the classroom Lesson plans that effectively teach literacy and content through the use of technology Connections to the Common Core State Standards Samples of student work using iPads Rubrics for a variety of suggested assignments

**Research Strategies: Finding Your Way Through the Information Fog** William Badke,2021-03-02 Everyone does research Some just do it better than others In this chaotic world of information and

misinformation referred to as information fog university students in particular need to learn how to conduct research effectively Good research is about a quest to discover more about a burning desire to solve society's problems and make a better world Ultimately research is a way forward to a resolution of life's greatest difficulties In this seventh edition of *Research Strategies Finding Your Way through the Information Fog* author William Badke walks you step by step through the entire research process from choosing a topic to writing the final project and everything in between A seasoned researcher and educator Badke offers tried and true tips tricks and strategies to help you identify a problem acquire pertinent information and use that information to address the problem Employing a host of examples and humor *Research Strategies Finding Your Way through the Information Fog* shows how research can be exciting and fun *The ESL Writer's Handbook, 2nd Ed.* Janine Carlock, Maeve Eberhardt, Jaime Horst, Lionel Menasche, 2017-12-20 The *ESL Writer's Handbook* is a reference work for ESL students who are taking college level courses Because its purpose is to provide help with the broad variety of writing questions students may have when working on school assignments the text focuses on English for Academic Purposes Unlike other handbooks on the market this book's sole purpose is to address the issues of second language learners The spiral bound Handbook complements a student writer's dictionary thesaurus and grammar reference book It would be suitable as a text for an advanced ESL writing course when used together with the companion Workbook 978 0 472 03726 1 The new edition features significant revisions to Sections 3 and 4 in particular both APA and MLA style guides have been updated and new sample papers for each are included The new edition includes new and revised exercises and many new samples of student writing Like its predecessor the 2nd Edition has these special features The topic selection is based on ESL writers' needs as observed by the authors over many years The coverage of topics is more complete than the limited amount usually provided for ESL writers in first language or L1 handbooks The explanatory language is appropriate for ESL students in contrast to the more complex and idiomatic language of other English handbooks Many of the examples of paragraphs essays research papers and exercise sentences were written by ESL students to help users realize that they too can become effective writers

**Practical Argument** Laurie G. Kirsznier, Stephen R. Mandell, 2011-05-16 From the best selling authors of the most successful reader in America comes *Practical Argument* No one writes for the introductory composition student like Kirsznier and Mandell and *Practical Argument* simplifies the study of argument A straightforward full color accessible introduction to argumentative writing it employs an exercise driven thematically focused step by step approach to get to the heart of what students need to understand argument In clear concise no nonsense language *Practical Argument* focuses on basic principles of classical argument and introduces alternative methods of argumentation *Practical Argument* forgoes the technical terminology that confuses students and instead explains concepts in understandable everyday language illustrating them with examples that are immediately relevant to students' lives
