Twisted Shravya Gunipudi,2017-06-19 It is weird that I still meet my mother almost every day I am 35 years old But that is not why it is weird It is because nobody else has seen her since 18th September 20 years ago Because that is the day she died Meet Ria the charming woman with an edge Her life is nearly perfect Or so it seemed until one fateful day an accident wipes out parts of her memory Suddenly she starts to experience strange visions involving repressed childhood memories which send shivers down her spine A man called Anuj whom she can't remember The sadness that led to her mother's sudden death Answers that her husband Jay refuses to share Secrets begin to resurface and Ria is left with no option but to confront her own fears Twisted is a tale of love family and friendship where bitter memories and shocking truths drive everyone to the point where they have to decide Will the relationships crumble to dust or can love really conquer all

Hugh Worthington Mary Jane Holmes,2023-07-11 In her novel Hugh Worthington Mary Jane Holmes masterfully weaves a rich tapestry of mid 19th century American society exploring themes of love ambition and moral integrity amidst the backdrop of social upheaval The narrative centers around the titular character Hugh whose pursuit of self identity and societal acceptance unfolds through Holmes's poignant prose and vivid characterization This work exemplifies the sentimental literary style prevalent in her time showcasing the conflicts between personal desires and social expectations thus situating it firmly within the context of American romantic literature Mary Jane Holmes was a gifted author whose own life experiences as a female writer in the Victorian era profoundly informed her storytelling As a pioneer in women's literature Holmes faced the societal constraints of her gender which compelled her to address issues of personal freedom and societal roles Her background combined with her keen observations of social issues ultimately fueled the thematic concerns found in Hugh Worthington reflecting her belief in the transformative power of love and moral courage This compelling narrative is highly recommended for readers interested in exploring the intricacies of human relationships and the societal norms of 19th century America Holmes's insightful commentary delivers both emotional depth and intellectual stimulation making Hugh Worthington a significant contribution to the canon of American literature

esteemed Brazilian writers such as Machado de Assis, Verissimo and Jorge Amado Moser demonstrates how the defunto through its mocking laughter and Dionysian resurrection simultaneously subverts and inverts the status quo thereby exposing underlying points of tension within Brazilian social and political history. Incorporating elements of both a celestial advocate and an untrustworthy specter, the defunto also serves as a metaphor for one of modern Brazil's greatest dilemmas: reconciling the past with the present. The Carnavalesque Defunto offers a comparative framework by juxtaposing the Brazilian literary ghost with other Latin American, Caribbean and North American examples. It also presents a cross disciplinary approach toward understanding the complex relationship forged between Brazil's spiritual traditions and literary expressions.

Dead man's rock, by Q. Arthur Quiller-Couch, sir Arthur Thomas Quiller-Couch, 1898 **The Land Grab: The Legend Of Big Heart• Book 1** Alfreda Beartrack-Algeo, 2022-03-03

Jay: do you think Mr O Neil had something to do with this fire?
 Uncle Jay: stood up. Yup I do.
 Tom: I think Mr O Neil sent two of his guys here yesterday to stake out you and your land. They came back out here before dawn and started this fire.
 Yup: I have no doubt but proving it will be a challenge because we are up against the big boys.
 The Land Grab is the story of Alfred Swallow and his Lower Brule Lakota family as they fend off attempts to take their land. In 1929 Alfred is eleven years old and has many responsibilities not expected of a young boy. His Lal grandfather has instilled in his grandson many Lakota traditions which Alfred respects but at times struggles to understand the message they convey. Young Alfred draws from his tradition when an unscrupulous U.S. Land Agent who knows the value of the family's land is determined to grab their land with intimidation and force. The family and their neighbors band together to stop the unlawful actions but can they stop a determined criminal? *The Congregationalist*, 1925
