Embattled Minds (Contemporary Military Suspense) J.M. Madden, 2014-03-07 Zeke Foster has little to no experience with women over the past couple of years after being injured in Afghanistan. Brutally scarred, he has no expectation that he'll ever find a woman capable of accepting him the way he is. But he can't help but be enamored of Ember, the waitress of a local watering hole. Ember Norton's life has turned into one devastating catastrophe after another. When the scarred soldier with the kind eyes brings some security to her life, she's afraid to trust her luck. She's been self-sufficient for a long time. But his wounded soul calls to her, and she finds herself falling for him. In spite of the secrets, he continues to keep.

Gettysburg Requiem Glenn W. LaFantasie, 2006-07-04 William C. Oates is best remembered as the Confederate officer defeated at Gettysburg's Little Round Top, losing a golden opportunity to turn the Union's flank and win the battle and perhaps the war. Now Glenn W. LaFantasie, bestselling author of *Twilight at Little Round Top*, has written a gripping biography of Oates. Oates was no moonlight and magnolia Southerner; as LaFantasie shows, raised in the hard scrabble Wiregrass Country of Alabama, he ran away from home as a teenager, roamed through Louisiana and Texas where he took up card sharking, and finally returned to Alabama to pull himself up by his bootstraps and become a respected attorney. During the war, he rose to the rank of colonel, served under Stonewall Jackson and Lee, was wounded six times, and lost an arm. Returning home, he launched a successful political career, becoming a seven-term congressman and ultimately governor. LaFantasie shows how, for Oates, the war never really ended; he remained devoted to the Lost Cause and spent the rest of his life waging the political battles of Reconstruction. Here then is a richly evocative story of Southern life before, during, and after the Civil War, based on first-time and exclusive access to family papers and never-before-seen archives.

The Volume speaks to us from the heart and engages the socio political concerns in the Nigerian context through the lens of a theological approach The author reflects historically the numerous consequences of the amalgamation of the ethnic groups of different orientations in Nigeria into one socio political structure of the colonizers interests This sociopolitical structure raises several questions than answers it pretends to offer the indigenous people From a Nigerian point of view the articles in this volume critically challenge the unjust formation of any nationhood in the Africa context It points out how the sustenance of an unjust nation formation betrays the creed on which such a nation is established Truth conquers all is the spirit with which this Volume is written It is the truth that will set a nation like Nigeria free from the spirit of confusion and unperceived religio socio political syncretism The awareness emanating from this volume suggests liberating steps from the unsuspecting colonial interests and the sustained feigned relationship with the colonizers which militate against the socio political and economic growth and theological orthodoxy of such a growing nation *Chambers's Cyclopaedia of English Literature* Robert Chambers,1902
