

This made Pandora even more curious. She begged Epimetheus to let her open it, but he always said no. Finally one day when Epimetheus was sleeping, and she stole the key and opened the box.

To her horror, out of the box flew every kind of trouble that people had never known about before. There were sicknesses, worries, crimes, hate, envy and all sorts of bad things. The troubles all began to fly away like little bugs and insects, all over the place. Pandora was very sorry now that she had opened the box! She tried to catch them and put them back in the box but it was too late. They all flew away and went to every corner of earth.

Pandora sat there crying. She did not know what to do. But the very last thing to fly out of the box was not as ugly as the others. In fact, she was beautiful. She was the Hope Fairy. She said to Pandora, "Don't cry, my dear! I will always be there to bring hope to humans, whenever they are in trouble."
