I Hate Summer English Edition:

I Hate Summer HT Pantu, 2014-08-18 Out since he was fourteen Idrys grew up hating summer mostly because of Trystan Jackson the gorgeous eldest son of his parents holiday friends After avoiding the joint holiday for five years Idrys must now face Trystan again or risk the wrath of his parents Like Idrys Trystan isn't exactly the guy he was the last time they met but Idrys has more to worry about than Trystan's odd sleeping habits He has to steel his usually nonexistent morals against the advances of the cute and innocent Josh Trystan's younger brother It's only ten days right And afterward he doesn't have to see either of them for another year If only it was that simple Two months after the holiday from hell Trystan gets a last minute placement in the city where Idrys lives and suddenly both brothers are back in Idrys's life Idrys is determined to carry on regardless but sooner or later he might have to face the fact that summer doesn't last forever **The Later**

The God of that Summer Ralf Rothmann,2022-01-20 This book's power lies in its depiction of civilians trying to lead ordinary lives during the horror of war. It is shattering stuff but Rothmann is tender towards his characters and this book is as memorable as his last The Times Historical Fiction Book of the Month. As the Second World War enters its final stages, millions in Germany are forced from their homes by bombing, compelled to seek shelter in the countryside where there are barely the resources to feed them. Twelve-year-old Luisa, her mother, and her older sister Billie have escaped the devastation of the city for the relative safety of a dairy farm. But even here, the power struggles of the war play out: the family depends on the goodwill of Luisa's brother-in-law, an SS officer who, in expectation of payment, turns his attention away from his wife and towards Billie. Luisa immerses herself in books but even she notices the Allied bombers flying east above them, the gauntness of the prisoners at the camp nearby, the disappearance of fresh-faced boys from the milk shed, hastily shipped off to a war that's already lost. Living on the farm teaches Luisa about life and death but it's man's capacity for violence that provides the ultimate lesson that robs her of her innocent ignorance. When, at a birthday celebration, her worst fears are realized, Luisa collapses under the weight of the inexplicable.

Ralf Rothmann's previous novel *To Die in Spring* described the horror of war and the damage done on the battlefield. *The God of that Summer* tells the devastating story of civilians caught up in the chaos of defeat, of events that might lead a twelve-year-old child to justifiably say, "I have experienced everything."

One Hot Summer Suzanne Scott,2011-07-15 When the temperature rises, be careful what you wish for. Jillian Sanderson learned that lesson in spades the day sexy as sin Kit Malone breezed into Key West and turned her world upside down. Suddenly, she'd inherited fifty percent of an inn and one hundred percent of a problem. Because Kit couldn't stay in Key West for long and Jilly couldn't leave. Still, a fever raged between them: passions flare. Kit Malone didn't know what hit him. He couldn't be in a room with gorgeous Jilly Sanderson for more than five minutes without wanting to kiss her, ravish her, consume her. So their life styles didn't mesh. That could be worked out. But first, he had to convince Jilly that those hot summer nights were meant to last forever.

The Rogue Queen:book 3 Rory McCauley-Hayman,2021-06-01 First Book in the Twisted Design Series. To look at, beautiful, confident, eighteen-year-old warrior Bellamy Carrington, one would never expect the dark tragedies that had formed her. The blood spilled, the lives lost, the pain and hopelessness that shaped her childhood. Orphaned at six, the young rogue, born alpha, vowed vengeance on the men who took her parents from her, the men who stole happiness and love from her life. And she did. Training under the tutelage of vampires, witches, rogue wolves, and other shapeshifters for six years, Bellamy became a deadly and formidable force in the supernatural world. But no one is perfect. After killing the hunters, she was captured by a dark witch, beaten, poisoned, collared in silver, and slated for sacrifice in one of the witch's spells. Bellamy made one last push for life and escaped. She was hopelessly lost in pain, weak, and broken in so many ways. Bellamy gave up. She decided her death would be on her own terms.
