Monsters Inc Screenplay:

Monsters University Elio Nguyen, 2020-09-29 The story starts with 6 year old monster Michael Mike Wazowski on a school field trip to Monsters Inc a scaring company At Monsters Inc the class meets Frank McCay an employee of the company who works as a scarer entering the human world to scare children at night and harvesting their screams as energy to power the monster world As Frank prepares to enter a door to the human world the children notice that Mike has slipped unnoticed to Frank s door which he then enters before anyone can stop him Mike watches Frank s scare performance then follows him back through the door to the monster world Frank tells Mike his actions were dangerous but is impressed with his ability to have sneaked quietly in and out of the room and gives him his Monsters University hat as a souvenir The teacher asks what he has to say for himself but Mike is happy and inspired to be a scarer when he grows up

Screenwriting

Andrew Horton, Julian Hoxter, 2014-08-23 Screenwriters often joke that no one ever paid a dollar at a movie theater to watch a screenplay Yet the screenplay is where a movie begins determining whether a production gets the green light from its financial backers and wins approval from its audience This innovative volume gives readers a comprehensive portrait of the art and business of screenwriting while showing how the role of the screenwriter has evolved over the years Reaching back to the early days of Hollywood when moonlighting novelists playwrights and journalists were first hired to write scenarios and photoplays Screenwriting illuminates the profound ways that screenwriters have contributed to the films we love This book explores the social political and economic implications of the changing craft of American screenwriting from the silent screen through the classical Hollywood years the rise of independent cinema and on to the contemporary global multi media marketplace From The Birth of a Nation 1915 Gone With the Wind 1939 and Gentleman s Agreement 1947 to Chinatown 1974 American Beauty 1999 and Lost in Translation 2003 each project began as writers with pen and ink typewriters or computers captured the hopes and dreams the nightmares and concerns of the periods in which they were writing As the contributors take us behind the silver screen to chronicle the history of screenwriting they spotlight a range of key screenplays that changed the game in Hollywood and beyond With original essays from both distinguished film scholars and accomplished screenwriters Screenwriting is sure to fascinate anyone with an interest in Hollywood from movie buffs to industry professionals
