The Ushers, Protocols And Greeters That Every Church Needs Albert O. Aina, 2018-05-19 I started writing this book in 1994 That was the year the LORD graciously commissioned me to raise for Him Quality leaders I started with Ministers and Pastors workshop Training for ushers was the second assignment I handled among the three fold mandates the LORD gave me in 1994 But no book was written by me back then neither did I come across any specialized book on Ushers Greeters and Protocols in one volume 20 years ago I have been privileged to conduct Training courses across the length and breadth of Nigeria on Ushering ministry for 20 years I have interacted with over 400 churches from over 280 denominations in conferences and seminars but I never wrote a book on this topic Our outfit Christian Leadership Skills have been involved in mass training for ushers in churches that counted 120 000 on Sundays with Ushers workforce of about 4 000 I have written 36 books to date but none on Ushers Protocol and Greeters until now A particular mega church invited us to deliver training for ushers and crowd controllers twice within three months in their headquarters church Their invitation came a bit late I could not be there physically I didn't have a book on Ushers or crowd control Only a manual Churches get confused on the role of ushers as different from protocol officers I have witnessed ushers and protocols fight for territories in churches A particular church head usher insists that he must stay side by side with the protocol officer by the altar very close to the anointed There was no book to show where each belong A particular ministry scrapped the word Ushers from the list of ministries The General Overseer banned the entire ushers from officiating in the length and breadth of the church His reason Brethren have the Holy Spirit to direct them No need for Ushers and the church went on smoothly thereafter I had no book to give to the man of God No book I could give until 20 years later Who are Ushers Who are Protocol officers Who are Greeters Who are Traffic Controllers I didn't write any book to explain I only explain during workshop session Now the explanation has become handy Position Descriptions by Design Gary H. Wolverton, 2012-08 Churches have become such an entity that they are being structured and led much as normal businesses are run Because of this churches must provide adequate and effective services to their employees Proper descriptions of the jobs and related positions of the employees in the church are critical to having an effective staff that can best serve the community Descriptions of what is expected of volunteers are also crucial to having sufficient servants to do the work God desires of them This book is a collection of

position descriptions as well as the whats whys and hows of developing implementing and maintaining effective descriptions for both career employees and volunteers In addition to the more than 170 descriptions included in the book more than 950 descriptions are available for download Guide for Celebrating® Holy Week and the Triduum Corinna Laughlin,Kristopher Seaman,Stephen Palanca,2016-12-01 Guide for Celebrating Holy Week and the Triduum provides a detailed overview of the rubrics surrounding the various liturgies rites and devotions of this time and addresses concerns surrounding multicultural communities evangelization and liturgical aesthetics New Member Assimilation Joel D. Heck,1988 *Zealous for Good Works* Todd A.
