

The book cover features a dark blue background. On the left side, there is a large, faint wireframe sphere. The sphere is composed of a grid of lines, with some lines being thicker and more prominent than others, creating a 3D effect. The title 'Solution Manual' is written in a large, bold, yellow font across the upper middle of the cover. Below it, the subtitle 'FUNDAMENTALS OF FINITE ELEMENT ANALYSIS' is written in a smaller, white, all-caps font. At the bottom right, the author's name 'DAVID V. HUTTON' is displayed in white, all-caps font, enclosed within a small green rectangular box. The spine of the book is visible on the right edge, showing the same title and author information in a smaller font.
