

Personal Theories Of Ethnocentrism And Conformity Orientation

Personal theories are individual theories of communication that help people describe and explain a myriad of circumstances, experiences, and interactions with others. Not everyone's personal theories are the same, however, each personal theory contains fundamental communicational applications or concepts; these applications are the backbone of personal theories. Scholarly theories are similar to personal theories however scholarly theories provide objective explanations on communication. My personal theory on my relationship with my family applies to the concepts of ethnocentrism and conformity orientation, while my tendency to avoid the term one day, applies to the concepts of self development and monochronic time.

When I was younger, ... [Show more content on Helpwriting.net](#) ...

Approximately two years ago, I realized that one day is a very arbitrary phrase. I was promised that one day I would reunite with one of my dearest friends, however, as the months passed, I received not a single word. Months turned into years and to my disappointment, the reunion never happened. Therefore, one day is synonymous with never. From then and on, I replace one day with the phrase, one of these days because then it doesn't imply that it is never going to happen; it implies that it will happen, but not just right now. My personal theory best exemplifies self development which is essentially another aspect of individual communication. An individual undergoes self development from his or her earliest of interactions. In this respect, the individual learns from his or her experiences. My personal theory embodies this principle because from my experience of the term one day, I have realized how often individuals utilize it in their vernacular and they always never follow through on their one day promises. Additionally, my personal theory applies to the concept of monochronic time. When individuals pay attention to and do solely one activity at a time is monochronic time. I live in monochronic culture and I behave according to monochronic time, and my interpretation of one day or one of these days, is simply my effort to
