Shakespeare's 'Julius Caesar': A Critical Introduction Cedric Watts, 2016 What is the play really about Tragedy history problem play what is its genre Who if anyone is the play's hero Is the murder of Caesar justified Is Brutus a hypocritical Stoic How does posthumous characterisation work What makes the play so topical Julius Caesar has long been regarded as one of Shakespeare's greatest dramas Some of its phrases live on famously Beware the Ides of March Et tu Brute and Friends Romans countrymen lend me your ears When Cassius says How many ages hence Shall this our lofty scene be acted over In states unborn and accents yet unknown his question is indeed prophetic history's answer has transformed the question into a boast This concise clear introduction explains just why Professor Cedric Watts M A Ph D is the editor of the Wordsworth Classics Shakespeare Series

The Theory and Practice of Grading Writing Frances Zak, Christopher C. Weaver, 1998-02-05 CHOICE 1998 Outstanding Academic Books Grading is one of the thorniest issues writing teachers must deal with yet surprisingly little has been written on this topic As writing teachers move increasingly toward practices that focus on writing as a process they face a growing need to reconsider their systems of grading to determine whether or not these systems support their pedagogies The authors interrogate the grading of individual papers as well as portfolios and the assigning of end of term grades This collection explores the issues and problems that have emerged as conventional grading practices have lagged behind and been challenged by new theories of language While the book will be of interest to theorists Zak and Weaver have also made the book relevant and useful to teachers whose primary interest is the practical consequences of theory in their classrooms Where theoretical discussion takes place the language is clear and accessible Many of the authors write directly from personal experience telling stories of the classroom or writing of new

techniques and approaches they have tried They speak with the voices of teachers and the tone and content of their words convey a sense of the immediacy of the topic
