Kubotan Techniques Manual:

USE OF THE MINI-BATON: A BASIC MANUAL Joseph Truncale, 2015-04-05 This manual was written for law enforcement and security officers who may be interested in the use of the Mini Baton. The Mini Baton can include any type of short stick such as the Yawara stick, Persuader Baton, Kubatons, Tactical Pens, and other short stick like objects. Topics in this manual include History of the short stick or Mini Baton, Basic principles of the Mini Baton, Stance and balance, Basic gripping, Basic blocking, Basic striking, Wrist control, and takedown techniques. How to use the Mini Baton for basic self defense, Basic teaching principles. There is also a sample course outline for those who are interested following an organized program of learning this effective and practical self defense and control tool.

Black Belt, 1983-08 The oldest and most respected martial arts title in the industry. This popular monthly magazine addresses the needs of martial artists of all levels by providing them with information about every style of self defense in the world, including techniques and strategies. In addition, Black Belt produces and markets over 75 martial arts oriented books and videos, including many about the works of Bruce Lee, the best known martial arts figure in the world.

The SAS Self-Defence Manual John 'Lofty' Wiseman, 2017-05-08 Written by a former Survival Instructor of the SAS, The SAS and Special Forces Self Defence Handbook provides easy to follow, illustrated instructions on coping with all kinds of threatening situations, from muggings to knife attacks.

The pen, your mighty self defense friend Joseph Truncale, 2015-03-19 This book will show you how a simple writing tool can easily be turned into an effective self defense weapon with just a little knowledge, practice, determination, and imagination. This is, to my knowledge, the first manual ever written that deals primarily with the use of the pen as a self protection tool. Some of the areas this book will cover include choosing the best pen for self defense, carrying methods, how to grip the pen for most effectiveness, the right to self defense, and the law, vulnerable areas of the body, and specific techniques and tactics to use the pen for self defense. When you finish this text, you will be more aware and confident in your ability to defend yourself using a simple pen or pencil. The key to defending yourself must always begin with the realization that your own body has numerous areas that can be used as a self defense tool.

Police Handgun Manual Bill Clede, 1985

Black Belt, 1983-05 The oldest and most respected martial arts title in the industry.
