Stand and Deliver Steve Lewis, 2014-11-10 If Australian politics and public policy is a war of ideas the National Press Club is the battleground For the past half century the NPC has been the epicentre of political and social debate in Australia Leaders and opinion makers have used its stage to launch leadership bids rattle the cage of public opinion with courageous and sometimes outrageous ideas and make a stand Stand Deliver brings to life the NPC's rich and colourful history by presenting the best speeches of the past fifty years It also lifts the lid on the protests and controversies experienced by this national institution Featuring many of the giants of recent Australian and international history including Bill Gates the Dalai Lama John Howard Paul Keating Julia Gillard Barry Humphries Germaine Greer and Bob Hawke Stand Deliver is an illuminating and entertaining journey through the last fifty years of public debate and discourse that have shaped our nation and the world

Australian Telecommunications Regulation Alasdair Grant, 2004 Australian Telecommunications Regulation provides an accessible but comprehensive review of Australia's telecommunications regulatory framework Written by experienced insiders it describes the laws and policies affecting competitors and consumers and the regulatory and self-regulatory bodies that administer them The third edition features a new chapter on interconnection pricing and incorporates all recent legislative reforms and policy initiatives including those affecting the telecommunications competition regime and discusses recent key decisions of the ACCC and other agencies

T-Hub Upgrade Manual, Mobile Information Systems Elaine Lawrence, Barbara Pernici, John Krogstie, 2006-01-20 Mobility is perhaps the most important market and technological trend within information and communication technology With the advent of new mobile infrastructures providing higher bandwidth and constant connection to the network from virtually everywhere the way people use information resources is predicted to be radically transformed Over the last years a new breed of information systems referred to as mCommerce systems or mobile information systems has appeared to address this emerging situation In 2000 the IFIP 8.1 WG decided to look into establishing a task group to look closer at this area and the idea was adopted and extended by IFIP TC8 the following year After the arrangement of several workshop this task group has been the driving force behind the arrangement of MOBIS IFIP TC 8 Working Conference on Mobile Information systems held in Oslo Norway 15-17 September 2004 The objective of the working conference was to provide a forum for researchers and practitioners interested in planning analysis design construction modification implementation utilization evaluation and management of mobile information systems to meet and exchange research ideas and results Specifically we tried to use the working conference to Clarify differences and similarities between the development of mobile vs more traditional information systems Investigate organizational impact of mobile information systems Investigate mobile commerce applications combined with the advantages of mobile communications technologies X Mobile Information Systems Evaluate existing and newly developed approaches for analysis design implementation and evolution of mobile information systems

Something in the World

Called Love Sue Saliba, 2008-09-01 It's true there's something in the world called love Esma felt it when she moved into the house with the blue stairs There was Kara beside her and Simon below with his room that looked out to the road two roads actually so you had a choice as you were leaving or arriving which way to take But anyway Esma at the beginning saw only one way When Esma moves into 22 Starling Street she knows she's come to the right place A place to become someone new A place to belong As the seasons change she finds herself falling deeper and deeper in love But not in the way she expects A remarkable new novel about friendship trust and hope and what it means to love Visit betweenlines.com.au the destination for Young Adult books
