More Than Numbers David Yonggy Cho:

David Yonggi Cho Wonsuk Ma, 2017-11-29 This book is a serious attempt by Asian scholars to reflect on various aspects of the Asian Pentecostal movement. It joins a small but growing list of works on this critical subject. Second, it presents an Asian perspective on one of the most important figures in Asian Pentecostalism in this generation: Dr. David Yonggi Cho, who clearly stands out as one of the most preeminent Pentecostals anywhere in the world. **To the Ends of the Earth** Allan Heaton Anderson, 2013-01-04 No branch of Christianity has grown more rapidly than Pentecostalism, especially in the southern hemisphere. There are over 100 million Pentecostals in Africa. In Latin America, Pentecostalism now vies with Catholicism for the soul of the continent, and some of the largest Pentecostal congregations in the world are in South Korea. In *To the Ends of the Earth*, Allan Heaton Anderson explores the historical and theological factors behind the phenomenal growth of global Pentecostalism. Anderson argues that its spread is so dramatic because it is an ends-of-the-earth movement: Pentecostals believe that they are called to be witnesses for Jesus Christ to the furthest reaches of the globe. His wide-ranging account examines such topics as the Azusa Street revival in Los Angeles, the role of the first missionaries in China, India, and Africa, Pentecostalism's incredible diversity due to its deep local roots, and the central role of women in the movement. He describes more recent developments such as the creation of new independent churches, megachurches, and the health and wealth gospel, and he explores the increasing involvement of Pentecostals in public and political affairs across the globe. Why is this movement so popular? Anderson points to such features as the emphasis on the Spirit, the born-again experience, incessant evangelism, healing, and deliverance, cultural flexibility, a place to feel at home, religious continuity, an egalitarian community, and meeting material needs, all of which contribute to Pentecostalism's remarkable appeal. Exploring more than a century of history and ranging across most of the globe, Anderson illuminates the spectacular rise of global Pentecostalism and shows how it changed the face of Christianity worldwide. **More Than Numbers** Paul Y. Cho, 1986 Dr. David Yonggi Cho David Yonggi Cho, 2008 A commemorative look at 50 years of Dr. Cho's ministry of hope released in time for his retirement this summer. Over the years, as he struggled to bring hope to people and build his church, God taught Dr. Cho not to depend upon himself but totally upon the Holy Spirit. In this book, Dr. Cho tells the stories of his temptations and doubts, failures and successes, and how the Holy Spirit was with him in every situation. The teaching in this book will inspire the reader to stand strong in the face of adversity, doubt, and fear. Followers worldwide will add this highly anticipated autobiography to their collection of Dr. Cho's coveted works. **The Fourth Dimension** David Yonggi Cho, Yong-gi Cho, 1979 Paul Yonggi Cho, pastor of the world's largest and fastest growing church, bestselling author, and popular speaker, reveals secrets for answered prayer, church renewal, and personal growth. **The Poor Will Be Glad** Peter Greer, 2011-03-31 A compelling call to carry God's mercy and compassion to the hurting people of this world. This eminently practical book by two leading experts in the field of poverty reduction offers a clear plan to help ordinary Christians translate their compassion into

The House Of God Ashish Raichur, 2014-04-06 The Blueprint A blueprint is a guide for making something It is a design or pattern that can be followed When we sit down to build something we normally draw up a blueprint and then follow the design carefully A blueprint helps you determine what to do In this manual The House of God our goal is to discover God's blueprint for local churches and local communities of believers We also share practical ways to build local churches according to God's blueprint Our goal is not to present one set of methods and techniques but rather discover what God wants the local church to be Each one of us will have to make our own journey with God as we develop our local congregations according to God's blueprint Each one of us will have to discover our own expression of this blueprint in our local communities Since God is a creative God He has many ways and many expressions of His blueprint The one common denominator is that we are all pursuing the same blueprint for each local church The blueprint describes God's design It is God's original intent It highlights main characteristics It describes key features It points to important focus areas When we follow His blueprint we know we are moving in the right direction and will eventually arrive at the right destination for our local churches Your Ministry And God's Blueprint Regardless of what your ministry is inside or in relation to the local church it is important that what you do is aligned to God's blueprint for His people As a pastor or senior pastor your responsibility is to ensure that the local church is growing and developing in all dimensions according to God's blueprint As an itinerant evangelist teacher prophet or apostle whenever you minister to a congregation your goal is to help impart and increase the congregation in some way according to God's design for the local church Whether you serve as a youth pastor worship leader in children's church in women's ministry in men's ministry or in small groups you are working toward establishing God's blueprint in the
