David M. Newman, 2018-07-26 This new Brief Sixth Edition of David Newman s text is the streamlined version of Sociology
Exploring the Architecture of Everyday Life with the same goal to be a textbook that in the author s words reads like a real
book Newman shows to see the unfamiliar in the familiar to step back and see organization and predictability in their take for
granted personal experiences Newman uses the metaphors of architecture and construction to help students understand that
society is not something that exists out there independently of themselves it is a human creation that is planned maintained
or altered by individuals Instead of surveying every subfield in sociology this text focuses on the structural features of society
the social construction of self and identity and social inequality in the context of social institutions The new edition includes
examples and analysis of contemporary events and trends including The changes in our national politics brought about by the
2016 presidential election Increasing societal attention paid to fatal encounters between police and unarmed people of color
or incidents of sexual harassment and assault School shootings and the debates over gun ownership The continued dramatic
