GCSE Mathematics - A Pocket Guide for Re-takers and Adults Mick

Price,2024-05-24 As its title suggests this book by been devised by author Mick Price as an essential guide for those revisiting Mathematics at GCSE level Crafted from years of experience and class tested materials it serves as a unique revision tool tailored for both FE college students and adults seeking to improve their previous grades or refresh long forgotten knowledge Stripping back the complexities of mathematics this book focuses on the fundamentals needed to achieve a grade 4 without overwhelming its readers with the entirety of KS4 content GCSE Mathematics promises accessibility and convenience making it an indispensable companion for both classroom learning and self study Inside you ll find a blend of theoretical essentials practical real life examples and exercises designed for both younger and more mature learners all presented in a straightforward uncondescending manner GCSE Mathematics is not just a book it s a tool for success always within reach **School** ,1928 **2012 GCSE English results** Great Britain: Parliament: House of Commons: Education Committee,2013-06-11 The 2012 GCSE English results prompted significant controversy which ultimately resulted in an application for judicial review This report sets out the background to these events and identifies lessons to be learned The problems with GCSE English can be traced back to the 2007 09 development phase of the qualification in particular the turbulence which resulted from the shift away from a mostly linear to a modular system combined with a high proportion of controlled assessment and generous marking tolerances Exam board experts raised concerns at the time but these were not acted upon by the regulator the then interim Ofqual Further difficulties arose because of pressures from the school accountability system The problems experienced with GCSE English in 2012 highlighted serious weaknesses in the moderation of speaking and listening with consequences for grade awarding The current status of Ofqual as an independent regulator accountable to Parliament is the right one However the Coalition Government is bringing in wholesale changes to GCSEs and A levels to a tight timetable and at the same time Ofqual must have systems in place The Committee is also concerned that there is a rush towards separate exam systems for England Wales and Northern Ireland without careful reflection on what might be lost or consensus that this is the right thing to do
