

Baking

Sarah loved baking cookies. Every weekend, she would put on her apron and gather the ingredients to create delicious treats. One sunny morning, Sarah's mom announced that they would be hosting a bake sale to raise money for a local charity. Sarah was thrilled and couldn't wait to showcase her baking skills.

1) What did Sarah enjoy doing on weekends?

2) What did Sarah's mom announce one sunny morning?

3) Why was Sarah excited about the bake sale?

IEPs and CCSS: Specially Designed Instructional Strategies Toby Karten,2013-01-01 The Common Core State Standards which have been adopted in most states in the country delineate the skills and knowledge that students are expected to possess at each grade level K 12 in order to be college and career ready CCR by the time they graduate high school They are designed to ensure that ALL American students including students with disabilities receive a high quality education that positions them for lifelong success In IEPs CCSS Specially Designed Instructional Strategies author Toby Karten presents a variety of specially designed instructional strategies and interventions that teachers and IEP team members can use to connect the individualized education programs IEPs of students with disabilities to the Common Core State Standards CCSS This six page tri fold laminated guide offers a side by side outline of the required components of an IEP and the criteria for instruction according to the CCSS Karten explains that when developing a student s IEP the IEP team should include both individualized goals the behaviors skills tasks the student is expected to learn and the grade level standards of the CCSS The guide offers examples of accommodations and instructional

supports to include in a student's IEP to help him/her meet IEP goals as well as math and literacy standards. Specially designed instruction may include among other things the involvement of additional service providers, instructional strategies based on universal design for learning (UDL) principles, assistive technology devices and services incorporating the students' interests and strengths. Five scenarios are provided to demonstrate a variety of ways instruction can be individualized for students with specific classifications, strengths and interests. The guide also outlines a step-by-step approach for helping students with IEPs achieve the standards. Additional online and print resources are also included, making this guide a valuable quick reference tool for IEP team members.

The Structured Literacy Planner Louise Spear-Swerling, 2024-04-23. Structured Literacy (SL) approaches are increasingly recognized as the gold standard for teaching struggling readers. This highly practical book walks educators through designing SL interventions for students with common types of reading difficulties: word reading comprehension or a combination of both. Louise Spear-Swerling offers tools for assessing students' reading profiles and tailoring SL to their needs. In a convenient large size format, the volume is packed with case studies, sample lesson plans addressing both early and advanced stages of reading, instructional activities and application exercises for teachers. A chapter on English language structure presents essential foundations for implementing SL effectively. The companion website features a knowledge survey about language structure with answer key as well as downloadable copies of the book's 14 reproducible forms. See also Louise Spear-Swerling's edited volume *Structured Literacy Interventions: Teaching Students with Reading Difficulties, Grades K-6* which surveys SL interventions across all components of literacy.
