How to Overcome Your Financial Challenges Diane E. Smith,2010-03-29 The Financial Truth Lets be honest money is a predetermined tool and only so much of it will flow through our hands during our lifetime Since we can only use money once it is crucial that we use it wisely There are endless ways to spend our money Trying to fulfill our financial needs wants and coveting desires can run up a huge tab Not to mention all the seducing advertising messages that are constantly influencing us to buy spend and borrow Before we know it we are living beyond our means and our finances are totally out of control Maybe you are living paycheck to paycheck or experiencing a temporary setback or perhaps you plainly need a minor money tune up It doesnt matter With a little help and self discipline you can overcome your money challenges and regain control of your finances Unfortunately most Americans have nothing to show at the end of their working years Bills still arrive at their mailbox every month Sadly many will retire broke and penniless Even though a million or more dollars past through their hands during their working years most end up with no monetary support system in place Seek and practice financial truths that will make you financially FREE The truth is with the right plan you can achieve financial peace and prosperity in this lifetime Yes, You Can Still Retire Comfortably!
