Tip and Trade Mark Coakley, 2011-04 The story of a friendship that started in law school and ended with the largest insider trading scandal in Canadian history this eye opening chronicle reveals for the first time how Gil Cornblum and Stan Grmovsek worked together to rip off Wall Street and Bay Street the Canadian Wall Street equivalent for over 10 million Cornblum would scout around his law offices in the middle of the night looking for confidential information on mergers or

takeovers When he found something he would tip off Grmovsek who would make the stock market trades that would gain them illegal profits From the joint internal investigation by the Ontario Securities Commission the U S Securities and Exchange Commission and the Royal Canadian Mounted Police Integrated Market Enforcement Team to Cornblums resultant suicide and Grmovseks 39 month prison sentence Tip and Trade covers the discovery of the double lives of the twosome and their inevitable downfall First person interviews conducted with Grmovsek from prison give insight into what case prosecutors called a classic Hollywood insider trading history *More Than Just BS* Jayson Marwaha,2012-10-04 Applying to combined BS MD programs really really stinks unless you re guided by the right person That s what Jayson a student who got into some of the nation s top BS MD programs at Brown Caltech and Penn State through countless nights of energy drinks realized when he was in high school This book fixes that More Than Just BS is Jayson s unique tested foolproof plan to acing the apps for these crazily competitive medical programs It s a resume building preparation plan a step by step guide to the application process plus a safe haven for students it s got checklists summaries clever shortcuts sneaky tips and tons of cheeky remarks **The Inter Dependent** ,1999 The Winning Delegate Kerem Turunç,2001 *Mexican High* Liza Monroy,2008-06-10 The daughter of an American diplomat Mila has spent her childhood moving from country to country When her mother is reassigned to Mexico City for Mila s senior year of high school Mila has no idea what to expect Mexico seems to be a country with the ultimate freedoms the wealthy students at her private international school the sons and daughters of Mexico s ruling class party hard at exclusive clubs dress in expensive clothing and see more of their housekeepers than they do of their globe trotting parents But Mila has more in common with them than they know her father whose identity has been kept from her is a high ranking politician with whom Mila s mother had a one night stand in her hippie days Now Mila is determined to discover who he is whatever the cost may be Mexican High is a coming of age story about identity belonging and first love In a setting rife with sex drugs and political corruption it is also a revealing look at elite Mexican society and its freedoms dangers and excesses Monroy s flawless evocation of the brink of adulthood in many ways mirrored by the turmoil of Mexico City itself makes this a truly memorable debut *From Village to Presidential Suite* Joseph Jabbra,2022-03-22 I did not intend to write a scholarly book for I did not want to intellectualize my life Nor did I wish to romanticize it I wanted to describe it as I lived it with emphasis on people I wanted to express in this book the joy I experienced in giving generously of myself my time and my modest material possessions to make others happy and to share the many gifts of life I wanted also to share with those who aspire to become academic leaders the myriad lessons my upbringing education and professional life have taught me I thought they might find these lessons learned useful as they strive for successful careers and more importantly for rewarding personal and professional lives Again this book is a story the story of my life wherein the personal and the professional have intermingled and strengthened each other making a better whole of my person personality aspirations and talents This unique alliance between the professional and the personal

dimensions of my life I am happy to say always triumphed and accounted for the successes that so many good people helped me achieve Without the guidance advice cooperation and support of others I am sure my life would not have been as fulfilling Dr Jabbra did govern this impossible republic delivering transformative change to LAU in the process Dr Jabbra restored our mission Philip Stoltzfus Chairman LAU Board of Trustees How does one know one has lived a full life This is a question that preoccupies all of us at one time or another but at a simple level we can say through the evidence of our actions and our relationships with others The pages of this memoir bear witness to Dr Jabbra s achievements from his successful terms as Provost at St Mary s and Loyola Marymount to his crowning moment as President of LAU But much of the magic of this book lies in its descriptions of his friendships and interactions throughout his life from the early days in his family village of al Firzul to his school experiences at Harissa and St Joseph and the eventual passage to the United States armed with Arabic French Latin and Greek but no English Then on to his life in America and Canada and the rich relationships he formed with so many in that extraordinary phenomenon that is the Lebanese diaspora After seeing an early draft of this memoir I urged Dr Jabbra to relate the day to day experiences he had in running LAU in the semichaotic atmosphere that prevails even in the best of times in Lebanon I knew how vivid some of these moments were having shared many with him and he has captured that time beautifully although I wish he had included a particularly hairy moment he and I once had from which we were fortunate to emerge unscathed Philip Stoltzfus Chairman LAU Board of Trustees September 2021 My tamed ego was my friend and not my enemy my wise advisor but not my dictator Forgiveness instead of retaliation was my motto Integrity and the highest ethical standards defeated hands down my detractors at the governing boards of any institution I served My leveling with people working together with them and my honesty were invincible weapons and very difficult to resist or defeat The realization on the part of the three university families I served in Canada the United States and Lebanon that I had a unique combination of genuine caring for people and a will of steel to defend the institution I was working for against any abuse won me the people s respect not their fear their genuine affection and trust And this is something that I will cherish for the rest of my life My transformative tenures at SMU LMU and LAU were strengthened by their remarkable families They believed in the mission of their respective universities they pulled ranks together and together they transformed them from ordinary colleges to major forces in higher education and they did it with indomitable drive exemplary grace unique pride and contagious passion Dr Joseph Jabbra From Village to Presidential Suite My Life s Journey 2022 pg 687 In Conclusions and Lessons learned Beirut Hachette Antoine [Suvannabhūmi](#) ,2002-06-02 [The Social Animal](#) David Brooks,2012-01-03 1 NEW YORK TIMES BESTSELLER With unequalled insight and brio New York Times columnist David Brooks has long explored and explained the way we live Now Brooks turns to the building blocks of human flourishing in a multilayered profoundly illuminating work grounded in everyday life This is the story of how success happens told through the lives of one composite American couple Harold and Erica Drawing on a wealth of current research from

numerous disciplines Brooks takes Harold and Erica from infancy to old age illustrating a fundamental new understanding of human nature along the way The unconscious mind it turns out is not a dark vestigial place but a creative one where most of the brain s work gets done This is the realm where character is formed and where our most important life decisions are made the natural habitat of The Social Animal Brooks reveals the deeply social aspect of our minds and exposes the bias in modern culture that overemphasizes rationalism individualism and IQ He demolishes conventional definitions of success and looks toward a culture based on trust and humility The Social Animal is a moving intellectual adventure a story of achievement and a defense of progress It is an essential book for our time one that will have broad social impact and will change the way we see ourselves and the world
