Use of table. For each area/symptom for that you choose to collect and monitor for GMP, answer the following questions. The information given in response to these questions will help you determine how best to track, report on and assess or evaluate the results of these various measures you have chosen for GMP. If you have a relatively small number of measures or indicators that you are tracking, you may wish to include all measures in one table and create a checklist or tool that could be completed by the person coordinating GMP in your organization. Alternatively, you may choose to use this table for individual measures or groupings of measures that address similar topics.
