Insanity Resides On Facebook English Edition:

Long Lives Are for the Rich Jan Baars, 2023-07-26 Long Lives Are for the Rich is the title of a silent ominous program that affects the lives of millions of people In all developed countries disadvantaged and especially poor people die much earlier than the most advantaged During these shorter lives they suffer ten to twenty years longer from disabilities or chronic disease This does not happen accidentally health inequalities including those between healthy and unhealthy life styles are mainly caused by social inequalities that are reproduced over the life course This crucial function of the life course has become painfully visible during its neoliberal reorganization since the early 1980s Studies about aging over the life course from birth to death show the inhumane consequences as people get older In spite of the enormous wealth that has been piled up in the US for a dwindling percentage of the population there has been growing public indifference about the needs of those in jobs with low pay and high stress but also about citizens from a broad middle class who can hardly afford high quality education or healthcare However this ominous program affects all recent mortality rates show that all Americans including the rich are unhealthier and dying earlier than citizens of other developed countries Moreover the underlying social inequalities are tearing the population apart with nasty consequences for all citizens including the rich Although the public awareness of the consequences has been growing neoliberal policies remain tempting for the economic and political elites of the developed world because of the enormous wealth that is flowing to the top All this poses urgent questions of social justice Unfortunately the predominant studies of social justice along the life course help to reproduce these inequalities by neglecting them This book analyzes the main dynamics of social inequality over the life course and proposes a theory of social justice that sketches a way forward for a country that is willing to invest in its greatest resource the creative potential of its population

Let America Live Stella Immanuel, 2021-09-07 Against all odds our fight for freedom is our responsibility we must RISE This book will expose you to the hidden realities of the media s silencing and opposition to those against the Left s agenda You will have an increased confidence to stand strong for your beliefs about your health faith and personal life despite what is going on around you When the COVID 19 pandemic hit the United States Dr Stella Immanuel started treating her patients with hydroxychloroquine and saw surprising success To date she says she has treated more than seven thousand COVID patients with the drug and only eight have passed away The rest recovered Yet Dr Immanuel has been ripped in the media and even by the medical community who say the drug not only doesn t work but is harmful the complete opposite of her experience Her videos and accounts have been blocked on social media The backlash has been so intense that she began to wonder if more sinister forces weren t behind the attacks against her and other doctors who advocate using hydroxychloroquine to treat COVID In Let America Live Dr Immanuel shares her story from unassuming Houston physician to one of the Left s favorite punching bags A minister as well as a physician Dr Immanuel also exposes the dark spiritual agenda she believes is behind the medical community s opposition to hydroxychloroquine as a COVID treatment and the vaccination

push Despite intense opposition Dr Immanuel refuses to be silenced She issues a clarion call to believers and all who love liberty to stand boldly against the spiritual and natural forces that are threatening Americans health and the future of the nation

Dolls of Our Lives Mary Mahoney,Allison Horrocks,2023-11-07 Which American Girl are you Are you a Molly a patriotic overachiever with a flair for drama Felicity the original horse girl Kirsten a cottagecore fan who seems immune to cholera Samantha a savior complex in a sailor suit or Josefina who dealt with grief by befriending a baby goat Have you ever wondered how Britney Spears or Michelle Kwan would answer that question And why do we care so much which girl we are Combining history travelogue and memoir *Dolls of Our Lives* follows Allison Horrocks and Mary Mahoney on an unforgettable journey to the past as they delve into the origins of this iconic brand Continuing the conversations that began on their podcast they set out to answer the lingering questions that keep them up at night What did American Girl inventor Pleasant Rowland hope to say to children with these dolls Was girl power something that could be ordered from a catalogue described by a magazine or modeled in the plot lines of books And how and why did this brand shape an entire generation Through interviews with a legion of devoted doll lovers a field trip to Colonial Williamsburg a place that inspired Pleasant to create American Girl and an exploration of their own complicated fandom this is a deep dive into one of the 90s most coveted products the American Girl doll

Revenge Christine Besze,2019-06-14 Six years they stole from me Six years I ve done my time Six years I ve waited Six years I ve heard her screams over and over No more It s time to collect And it s their blood that will be spilled Asher Savage spent his life protecting the innocent taking monsters off the streets He never thought he d become one Charlee Vega was a pawn in a game she never knew she was playing An innocent caught up in a war of greed and hate Revenge has fed his monster for years but it comes at a price Is it one he s still willing to have her pay She s a means to an end A complication he never saw coming And sometimes those are the most deadly of all This book is a standalone and contains mature graphic subject matter For readers 18 Review Suspense and steam all wrapped up into one explosive package 1 NYT Bestselling Author Rachel Van Dyken
