uneducated commoners With the spread of Neo Confucianism it was honored also in Vietnam Korea and Japan Patricia Buckley Ebrey has added notes showing how the Family Rituals enhances our understanding of Chinese society and culture She cites many of the commentaries on the work to give a sense of its uses in the centuries after its publication Originally published in 1991 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905
