tell you all about his love for God and his desire to live as a follower of Jesus But it took a simple but radical experiment to move from simply talking about it to actually living like it For ten days at a time Daniel chose to abandon a certain necessity a coat a voice shoes media furniture legs touch and to blog about it to raise funds and awareness for organizations that are doing amazing things to make a difference in the world And then he invited others to join him in the experiments and spread the vision Together they served God and others and experienced significant personal change in the process Ten Days Without is the story of their life altering adventure Ten Days Without is a compelling story and practical guide that will equip you and your friends to break through walls of convenience and indifference and join a movement that is confronting apathy and ignorance around the world to make an impact on people s lives in a God honoring way Ten Days Without is where our good intentions end and making a difference in the world begins
