The Routledge Handbook of Megachurches Afe Adogame, Chad M. Bauman, Damaris Parsitau, Jeaney Yip, 2024-05-07

The Routledge Handbook of Megachurches provides a survey of global megachurch phenomena with an international slate of authors introducing existing and emerging research on a wide variety of relevant topics. Over the past decade the field of megachurch studies has matured and become global in its scope and orientation. The Handbook offers 33 chapters by top scholars in the field focusing in particular on the location, demographic nature and transnational connections of megachurches. Megachurch worship, hermeneutics and theology in theory and practice. Megachurch institutional dynamics. The various ways that megachurches have both influenced and been influenced by their social contexts in terms of class, age, gender, sexuality and pop culture. The Handbook's interdisciplinary orientation makes it essential reading for sociologists, political scientists, anthropologists, media specialists, pop culture observers, business strategists, leadership consultants, marketing analysts, scholars of religion and Christian historians, theologians and missiologists. Experienced scholars of megachurches will gain valuable insight into aspects of megachurch research beyond their own specializations. Scholars new to the field will find the chapters useful as signposts for where to begin their own academic exploration. Christian pastors and laypeople will learn more about this increasingly prominent and influential form of their faith.

Music, Branding and Consumer Culture in Church Tom Wagner, 2019-10-16. Starting as a single congregation in Australia, Hillsong Church now has campuses worldwide, releases worship music that sells millions of albums, and its ministers regularly appear in mainstream media. So how has a single church gained such international prominence? This book offers an ethnographic exploration of the ways in which music and marketing have been utilised in the pursuit and production of spiritual experience for members of Hillsong Church. An experience that has proven to be incredibly popular. The main theme of this book is that marketing, specifically branding, is not just a way to sell religion but rather an integral part of spiritual experience in consumer society. Focussing on the London Hillsong church as a case study, the use of its own music in tandem with strong branding is shown to be a co- and re-productive method of organizing, patterning and communicating information. The church provides the branded material and cultural context in which participants' sacred experience of self unfolds. However, this requires participants to do the work to properly understand and ultimately embody the values associated with the brand. This book raises important questions about the role of branding and music in forming modern sacred identities. As such, it will be of great interest to scholars of Religious Studies, Ethnomusicology and Media Studies.

Cool Christianity Cristina Rocha, 2024. This book is an ethnographic account of how Pentecostalism expands globally. It examines the rise of the Australian megachurch Hillsong, its global spread and its appeal to young middle-class Brazilians. It shows that Hillsong's adoption of the Cool Christianity style through music, digital media, branding and celebrity culture elicits excitement, pleasure and pride amongst its expanding global following. For Brazilian middle-class youth, the church also gives them a sense of cosmopolitan

belonging to a Christian community located in the Global North By joining Hillsong they seek to distinguish themselves from the impoverished followers of Brazilian Pentecostal churches and their values *Percy Grainger Music Collection: 1st Supplementary List and Index* Grainger Museum, Kay Dreyfus, 1995 *Music by Percy Aldridge Grainger* Grainger Museum, Kay Dreyfus, 1978 **Decolonizing Contemporary Gospel Music Through Praxis** Robert Beckford, 2023-08-24 Is contemporary Black British gospel music a coloniality What theological message is really conveyed in these songs In this book Robert Beckford shows how the Black British contemporary gospel music tradition is in crisis because its songs continue to be informed by colonial Christian ideas about God Beckford explores the failure of both African and African Caribbean heritage Churches to Decolonise their faith especially the doctrine of God biblical interpretation and Black ontology This predicament has left song leaders musicians and songwriters with a reservoir of ideas that aim to disavow engagement with the social historical world black Biblical interpretation and the necessity of loving blackness This book is decolonisation through praxis Reflecting on the conceptual social justice album *The Jamaican Bible Remix* 2017 as a communicative resource Beckford shows how to develop production tools to inscribe decolonial theological thought onto Black British music s The outcome of this process is the creation of a decolonial contemporary gospel music genre The impact of the album is demonstrated through case studies in national and international contexts *Congregational Music-Making and Community in a Mediated Age* Anna E. Nekola, Tom Wagner, 2016-05-23 Congregational music can be an act of praise a vehicle for theology an action of embodied community as well as a means to a divine encounter This multidisciplinary anthology approaches congregational music as media in the widest sense as a multivalent communication action with technological commercial political ideological and theological implications where processes of mediated communication produce shared worlds and beliefs Bringing together a range of voices promoting dialogue across a range of disciplines each author approaches the topic of congregational music from his or her own perspective facilitating cross disciplinary connections while also showcasing a diversity of outlooks on the roles that music and media play in Christian experience The authors break important new ground in understanding the ways that music media and religious belief and praxis become lived theology in our media age revealing the rich and diverse ways that people are living experiencing and negotiating faith and community through music **Encyclopedia of Christianity in the United States** George Thomas Kurian, Mark A.
