The English Reader: a Key in the English Language and Literature J. S. S. Rothwell,1872 The West African Methodist Collegiate School, 1911-2021 Christopher E. S. Warburton,2021-12-22 The West African Methodist Collegiate School 1911 2021 presents an intricate analysis of challenging missionary work in Sierra Leone and West Africa In meticulous detail the book revisits an era that spans the slave trade and the manumission of slaves and examines the ways that missionaries helped to educate former slaves and free men for a viable form of existence The checkered history of the school chronicles the adversities courage and determination of men who dared to preserve an educational institution that was designed to provide religious and secular education In more elaborate terms the book reveals how changing circumstances and conditions of the twenty first century can obscure a nineteenth century concept when socioeconomic challenges and the vicissitudes of war and epidemics become too overpowering Resources in Education ,2001-10

Catalogue of the Keiogijuku Library ,1912 Language at Work British Association for Applied Linguistics. Meeting,1998 The 31st BAAL Annual Meeting held in September 1997 at the University of Birmingham had as its theme Language at Work The papers in this collection although they relate to a wide variety of different contexts all deal with people using language as part of their working life and they are all concerned with how language functions to construct participant relationships and institutions In short these papers demonstrate how people at work make language for them

Developmental Dyslexia and Anaphora Resolution in English L1/L2 Nicoletta Simi, 2021-06-15 This book presents the results of three experimental studies focusing on the ability of people with dyslexia to resolve ambiguous anaphoric sentences where concrete and abstract referents are present Each study represents a step in the ongoing investigation of this issue and stems from questions left unanswered by previous research This work is primarily inspired by the desire to gain a better understanding of the role of syntactic and lexical knowledge in text comprehension and more specifically of the effects of word concreteness and abstractness in anaphora resolution contexts for readers with dyslexia The book also investigates the resources necessary to process ambiguous anaphoric sentences The innovative methodology implemented here comprises both experimental techniques such as eye tracking and the use of questionnaires and standardised tests to answer specific research questions It also puts forward a hypothesis that explains the different deficits manifesting in people with dyslexia and suggests that in reading comprehension tasks the known impairment in people with dyslexia's working memory may hinder their ability to efficiently and accurately perform tasks involving procedural memory resources As a consequence this impairment would emerge as disruptions of people with dyslexia's semantic and syntactic competence as well as their functioning in complex tasks which are particularly demanding in terms of working memory resources

Invisible Work Toshie Okita, 2002 There is growing recognition that context is important for bilingual language development but understanding of that context remains underdeveloped This innovative study spanning the fields of bilingualism ethnicity and family studies shows how language use in intermarried families is deeply intertwined with the experience of everyday childrearing in specific socio historical contexts This is why despite good intentions expert advice and effort bilingual child rearing often encounters difficulties Conversely drawing on in depth interviews of twenty eight Japanese mother British father families in the UK the study uses a focus on language issues to portray actual childrearing dynamics and situated ethnicity in intermarried families Presenting a vivid picture of the invisible work of mothers in these families and how they attempt to resolve conflicting pressures and demands over childrearing language and education the author shows the importance of recognition and shared responsibility This book will interest researchers practitioners and parents interested in bilingualism ethnically diverse families and multicultural education
