Memorandum For Pat Phase 2 2014:

The Nixon White House Redecoration and Acquisition Program Patrick Phillips-Schrock, 2016-06-21 A positive legacy of the troubled Nixon administration and one virtually unknown to the American public is the extensive acquisition of valuable art and antiques for the White House and the redecoration of the executive mansion by Pat Nixon With the help of an aggressive curator Clement Conger and a talented interior designer Edward Vason Jones the First Lady quietly erased much of the historic decor of Jacqueline Kennedy's Camelot and introduced an academic look to the State Rooms which endures to this day Nixon marked his presidential territory with a complete renovation of the West Wing a harbinger of the First Lady's plans They implemented a massive fundraising campaign to bankroll the refurbishment which resulted in one of the foremost collections of art objects furniture paintings and sculpture in America This book presents the never before told story of the Nixons remodeling of the White House motivated by the approaching American Bicentennial and a desire to restore respect to the presidency through the arts

Equivalence Amanda L. Golbeck, 2017-04-28 *Equivalence* Elizabeth L. Scott at Berkeley is the compelling story of one pioneering statistician's relentless twenty year effort to promote the status of women in academe and science Part biography and part microhistory the book provides the context and background to understand Scott's masterfulness at using statistics to help solve societal problems In addition to being one of the first researchers to work at the interface of astronomy and statistics and an early practitioner of statistics using high speed computers Scott worked on an impressively broad range of questions in science from whether cloud seeding actually works to whether ozone depletion causes skin cancer Later in her career Scott became swept up in the academic women's movement She used her well developed scientific research skills together with the advocacy skills she had honed in such activities as raising funds for Martin Luther King Jr and keeping Free Speech Movement students out of jail toward policy making that would improve the condition of the academic workforce for women The book invites the reader into Scott's universe a window of inspiration made possible by the fact that she saved and dated every piece of paper that came across her desk
