Don't worry you're not alone. As a mom, I know the struggle of getting kids outside and engaged with nature. It can be stressful, overwhelming, and downright frustrating to plan activities, get out the door, and feel like we know enough to make the experience somewhat interesting for us and our kids. Because so many parents struggle with this, I developed a recipe that will help you get your kids outside and engaged with nature. The recipe is easy to follow, adaptable to your family, and comes out great every time. This book includes the recipe along with practical tips for getting outside, packing checklists, safety suggestions, planning strategies, and activities that can be used for any age during any season. Reuniting Children with Nature is a detailed how-to guide where I take all the guesswork out of getting outside and give you strategies and activities to help you and your child engage in nature. The best part is everything in this book can be used over and over again as your children age and mature.
