These marking guidelines are prepared for use by examiners and lead assessors. All of whom are required to attend a standardisation meeting to ensure that the guidelines are consistently interpreted and applied in the marking of candidates' scripts.

The JEB will not enter into any discussions or correspondence about any marking guidelines. It is acknowledged that there may be different views about some aspects of emphasis or detail in the guidelines. It is also recognised that, without the benefit of attendance at a standardisation meeting, there may be different interpretations of the application of the marking guidelines.
