If the apy of a savings account is 2.5%, and if the principal in the savings account were \$2000 for an entire year what will be the balance of the savings account after all the interest is paid for the year?

00000

A savings account earns 7.2 (APR) compounded monthly, so it earns 0.6% each month. Cooper has \$1500 in the account now. If he deposits an additional \$500 at the beginning of the month, how much total interest will Cooper receive at the end of the month?

00000

Kate is buying a new car and is looking for the best auto loan to pay for her purchase. What loan should she choose?

- A. Loan with the highest APR
- B. Loan with the highest APY

*For Us and for Our Salvation* Robert E. Schmitz, 2025-05-05 A renewal of pastoral theology is required to address the growing disconnect between the proclamation of the way of Jesus Christ and the lives of contemporary believers Pastoral ministers need to explore a dimension of the truth called performatory truth This dimension inspires life construction It must glean from the revelation what faith does to believers for believers and in believers the functions of faith Upon reflection on performatory truth and the functions of faith this work experiments with the propositions of the Nicene Creed to find a life constructing dimension How does belief in one God help define human relations How does the Incarnation help value the human How does Father Almighty bring believers to a Christian form of power and authority What does it mean when the Lord calls believers to take up the cross How can one imagine life in the Father in Son in the Holy Spirit in the church This reconnection of the Christian truth with contemporary life will assist preachers and teachers and inspire believers to live the Lord's way even in these strange times
