Research Paper Writing Guide for Criminal Justice and Forensic Investigation Scholars Michael Kane, 2015-06-10. This book contains the necessary information for college students to write successful research papers. Most research textbooks stop short at describing the step-by-step process of building and presenting research papers. This book does not. The textbook's design walks students through the logical process of building research papers and presenting research findings both orally and in writing. Topics include APA Writing Guide and Paper Requirements, The Purpose Statement, Citing in APA Style, What is a Scholarly Journal, The Literature Review, Critical Thinking, Analysis, Synthesis, and Evaluation, The Oral Presentation, Completing the Paper. The textbook serves as a primary textbook for courses involving research methods and paper writing or serves as an effective supplement to courses with major research paper components. The textbook contains several practical exercises and helpful tables as well.
