

GENERAL INFORMATION

INTRODUCTION

The purpose of this manual is to assist the operator in maintaining and operating a HESSTON machine. Read it carefully; it furnishes information and instructions that will help you achieve years of dependable performance. These operating and maintenance instructions have been compiled from extensive field experience and engineering data. Some information may be general in nature due to unknown and varying conditions. However, through experience and these instructions, the operator should be able to develop operating procedures suitable to his particular situation.

"Right" and "Left" as used throughout this manual is determined by facing the direction the machine will travel when in use.

The photos, illustrations and data used in this manual were current at the time of printing, but due to possible inline production changes, your machine may vary slightly in detail. The Manufacturer reserves the right to redesign and change the machine as may be necessary without notification.

⚠ WARNING: Some pictures in this manual show the machine with safety shields removed to allow for a better view of the subject of the picture. The machine should never be operated with any of the safety shields removed.

WARRANTY REGISTRATION

The Delivery and Warranty Registration forms found in the front of this manual must be filled out and signed to validate your warranty protection. The items on the form under "I HEREBY ACKNOWLEDGE" should be read and understood. The terms and conditions of the warranty on this machine are specified on the page previous to the warranty registration forms.

SERIAL NUMBER LOCATION

The serial number is important information about the machine, and it may be necessary to know it before obtaining the correct replacement part. The serial number plate is located on the right side of the baling chamber as shown in figure 1. The serial number should be recorded on the Delivery and Warranty Registration form in the front of the Operator's Manual that is delivered with the new machine.

REPLACEMENT PARTS

Only genuine HESSTON replacement parts should be used to repair this machine. HESSTON replacement parts are available from the local HESSTON dealer. To obtain prompt, efficient service, always remember to give the dealer the following information:

1. Correct part description or part number
2. Model number of the machine
3. Serial number of the machine.

Hesston 4500 Service Manual:

Embracing the Beat of Term: An Emotional Symphony within **Hesston 4500 Service Manual**

In some sort of used by displays and the ceaseless chatter of instantaneous transmission, the melodic elegance and psychological symphony developed by the written term often diminish in to the back ground, eclipsed by the persistent noise and disruptions that permeate our lives. However, nestled within the pages of **Hesston 4500 Service Manual** a stunning fictional prize full of organic emotions, lies an immersive symphony waiting to be embraced. Constructed by an elegant composer of language, that captivating masterpiece conducts viewers on a psychological journey, well unraveling the concealed tunes and profound affect resonating within each carefully crafted phrase. Within the depths of this touching assessment, we shall examine the book is main harmonies, analyze their enthralling writing model, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
