Using Journals With Reluctant Writers Scott Abrams, 2000-05-11 I loved the book and the soulful responses it generated from my reluctant writers Dee Conklin Ph D Teacher Reno Sparks Indian Colony Reno NV This journal program is authentic and gets students to write Because the journal topics reflect current issues my students respond positively And I get great insight into their lives Carol Popowich Resource Teacher Marshall Alternative High School Bend OR This is a book that is sorely needed I m impressed with the mature way the topics are presented to the students Rob Owens Teacher Washburn Rural High School Topeka KS This is one of the best books I have seen on topics for writing All students could benefit from this not just the reluctant writer Carol Miller Intervention Specialist Mineral Ridge High School Mineral Ridge OH Inspire your students to communicate and reflect through writing Using Journals With Reluctant Writers is an effective language arts tool for teachers especially those who teach at risk alternative and special education students Designed to inspire even the most reluctant writers journal topics are followed by non revealing non threatening exercises to introduce writing as a means of expression and to allow students to test teacher reactions Positive teacher responses then encourage students to move on to material that require more personal reflection and further elaboration Whether using the journals for daily practice or weekly assignments teachers can effectively lead students through critical thinking self discovery and ultimately more relevant and proficient writing Each chapter begins with a topical thought provoking quote and concludes with suggested videos and related readings that can be used for more comprehensive assignments Using Journals With Reluctant Writers also assists teachers and students in creating a complete language arts portfolio Highlights of this teacher s guide include Topical chapter opening quotes that instill deeper self reflection Multiple questions for each topic to encourage more in depth responses Suggested readings for more comprehensive assignments Suggested videos for each journal topic students relate well to videos Flexible format for daily entries or weekly assignments 45 journal topics for weekly assignments throughout the academic year An essential resource for any teacher who wants to motivate students to write well and write often while thinking critically about their own lives and choices

Writing to Make a Difference

Chris Benson, Scott Christian, 2002 The student projects presented in this book demonstrate a powerful approach to teaching writing one that requires no special equipment or resources and can be adapted for students of any age The key is getting students involved in action research and in writing about issues that are important to them and their communities Written by public school teachers these chapters describe projects covering a variety of issues including avoiding teenage health risks preserving oral histories fighting racism investigating environmental hazards decreasing instances of teen pregnancy and much more Based on a process model of writing instruction these projects will show teachers how to engage their students while also teaching the basic skills that appear in educational standards and assessment frameworks

Liminal Spaces of Writing in Adolescent and Adult Education Jin Kyeong Jung, Mellinee Lesley, Rene Saldana, Julie Smit, 2022-03-03 Liminal Spaces of Writing in Adolescent and Adult Education addresses the persistent gap in writing reform at the middle secondary and post secondary level Through an examination of useful and liminal writing the book explores the intellectual and creative space where structured expectations verge with individual imagination in writing The premise of the book is built around a multiplicity of ways to invite adolescent and adult students to enter into states of liminality where they are encouraged to experiment with style form genre and voice Through research featuring the perspectives of adolescents classroom teachers teacher educators graduate students and literacy researchers the book offers numerous insights into fostering a liminal and useful approach to writing instruction Each author takes the reader through a journey of finding the liminal as teachers writers and researchers Taken together this tapestry of perspectives puts forth the argument that liminal moments are necessary caveats to explore in order to cultivate fully actualized writing where students are in control of structures and traditional writing expectations but also free to imagine new ways of breaking with conventions and being as writers Thus the book argues liminal writing is critical in bringing about sustained writing reform

The Journey of an Immigrant Khetam Dahi, 2012 Khetam Dahi captures the often ignored voices and painful experiences of Syrian migrant children and families In a simple yet honest and powerful prose Dahi through the eyes a child turning adolescent narrates the everyday existence of immigrant and working class families Although the family faced extreme hardships and poverty their love for each other and determination to succeed served as a catalyst to infuse them with optimism and a love for life Her inspirational journey of breaking through despite all obstacles certainly lets readers vicariously experience her joy and sorrow regrets and hopes Dahi s artfully weaved narratives provide young adult learners an opportunity to become personally enmeshed in her stories but most importantly it creates a space where students can feel free to relate relive and learn The simple language makes this book an excellent choice for reluctant readers and ESL students especially because the author includes many exercises to give students the opportunity to share their own experiences and identify with the characters in her stories
