been reimagined in the present Drawing together a range of critical interventions including scholarly articles interviews and personal reflective pieces the volume traces some of the aesthetic and thematic continuities and discontinuities in the genre and sheds new light on questions of literary form Finally the book considers the place of the short story in twenty first century writing and interrogates the ways in which the short story form may contribute to or recast ideas of the post apartheid or post transitional The perfect guide to contemporary short story writing in South Africa this book will be essential reading for researchers of African literature Narcomedia Jason Ruiz,2023-10-10 2024 Honorable Mention The Victor Villase or Best Latino Focused Nonfiction Book Award English Empowering Latino Futures International Latino Book Awards Exploring representations of Latinx people from Scarface to Narcos this book examines how pop culture has framed Latin America as the villain in America s long and ineffectual War on Drugs If there is an enemy in the War on Drugs it is people of color That is the lesson of forty years of cultural production in the United States Popular culture from Scarface and Miami Vice to Narcos and Better Call Saul has continually positioned Latinos as an alien people who threaten the US body politic with drugs Jason Ruiz explores the creation and endurance of this trope its effects on Latin Americans and Latinx people and its role in the cultural politics of the War on Drugs Even as the focus of drug anxiety has shifted over the years from cocaine to crack and from methamphetamines to opioids and even as significant strides have been made in representational politics in many areas of pop culture Latinx people remain an unshakeable fixture in stories narrating the production distribution and sale of narcotics Narcomedia argues that such representations of Latinx people regardless of the intentions of their creators are best understood as a cultural front in the War on Drugs Latinos and Latin Americans are not actually America s drug problem yet many Americans think otherwise and that is in no small part because popular culture has largely refused to imagine the drug trade any other way **Weekly Drug Markets** ,1914 *Black and White* Pat Brown,Dave Brown,2021-02-02 Criminal profiler Pat Brown and her business owner son Dave Brown are horrified at what is happening to the legacy of Martin Luther King Jr After being refused permission to join Meetup groups in her area because she was not a person of color Pat a white woman with a biracial son created a fake Meetup group It was called White Women Yoga in order to test the new concept that racial segregation is now alright in America and the Civil Rights Act of 1964 is no longer in operation All hell broke loose liberals were indignant that a white person would dare have a whites only group and called her racist a Nazi a white supremacist while at the same time praising black only groups for having safe spaces Pat and Dave are mother and son white and black and they are dismayed at how our country is going backward in race relations They believe the Democratic Party and the push for socialism is making this happen Pat has spent almost twenty years in the media giving crime commentary on almost every cable news channel on a regular basis while Dave has always been fascinated with our political and economic systems When the war against conservatives came into full swing during the Trump administration when black and white conservatives were being painted as racists and white supremacists mother and
