

How to Pass A Job Interview Successfully

Tip 14

Pay Attention to Your Body Language and Your Appearance

Watch your speech. Your voice should sound natural. Speak calmly and confidently.

Control your hand movements. Give the interviewer a firm handshake. During the interview, place your palms on the table, do not touch objects or your hair.

Make eye contact with the interviewer. From time to time look away, but mostly try to look the employer in the eyes.

Wear comfortable, clean, freshly pressed clothing appropriate for the job you are applying for. But anyway, your clothes should be more formal.
