

Hunting + Fishing

Texas ranks No. 1 in the nation for paid hunting licenses at more than 1.1 million, and there's no question why. With great fall weather and a plethora of game animals, the state draws hunters from across the state and the entire country.

Freshwater fish also bring in fishing families nationwide, who can try their skills and enjoy a day on the lake or river as long as the fish are biting.

Learn more about these attractive outdoor seasons as well as limits and restrictions with Patten Title's Hunting and Fishing Guide.

The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
