

MARK SCHEME for the May/June 2013 series

1123 ENGLISH LANGUAGE

1123/21

Paper 2 (Reading), maximum raw mark 50

This mark scheme is published as an aid to teachers and candidates, to indicate the requirements of the examination. It shows the basis on which Examiners were instructed to award marks. It does not indicate the details of the discussions that took place at an Examiners' meeting before marking began, which would have considered the acceptability of alternative answers.

Mark schemes should be read in conjunction with the question paper and the Principal Examiner Report for Teachers.

Cambridge will not enter into discussions about these mark schemes.

Cambridge is publishing the mark schemes for the May/June 2013 series for most IGCSE, GCE Advanced Level and Advanced Subsidiary Level components and some Ordinary Level components.

The Art of the English Trade Gun in North America Nathan E. Bender, 2018-07-02 Symbolic ornamentation inspired by ancient Greek and Roman art is a long standing Western tradition The author explores the designs of 18th century English gunsmiths who engraved classical ornamental patterns on firearms gifted or traded to American Indians A system of allegory is found that symbolized the Americas of the New World in general and that enshrined the American Indian peoples as noble savages The same allegorical context was drawn upon for symbols of national liberty in the early American republic

Inadvertently many of the symbolic designs used on the trade guns strongly resonated with several Native American spiritual traditions

The War Report Annyssa Bellal,2015-12-10 This War Report provides detailed information on every armed conflict which took place during 2014 offering an unprecedented overview of the nature range and impact of these conflicts and the legal issues they created In Part I the Report describes its criteria for the identification and classification of armed conflicts under international law and the legal consequences that flow from this classification It sets out a list of armed conflicts in 2014 categorising each as international non international or a military occupation with estimates of civilian and military casualties In Part II each of these conflicts are examined in more detail with an overview of the belligerents means and methods of warfare the applicable treaties and rules and any prosecutions for investigations into or robust allegations of war crimes Part III of the Report provides detailed thematic analysis of key legal developments which arose in the context of these conflicts allowing for a more in depth reflection on cross cutting questions and controversies The Report gives a full and accessible overview of armed conflicts in 2014 It should be the first port of call for everyone working in the field

Language and Power in Blogs Brook Bolander,2013-12-15 Language and Power in Blogs systematically analyses the discursive practices of bloggers and their readers in eight English language personal diary blogs The main focus is thereby placed on ties between these practices and power The book demonstrates that the exercise of power in this mode can be studied via the analysis of conversational control turn taking speakership and topic control coupled with research on agreements and disagreements In this vein it reveals that control of the floor is strongly tied not solely to rates of participation but more strikingly to the types of contributions interlocutors make With its detailed linguistic analyses and comprehensive theoretical and methodological treatment of language use and power the book is interesting for researchers and students working within the domains of pragmatics discourse analysis text linguistics and corpus linguistics in both offline and online settings

Getting By Helen Hershkoff,Stephen Loffredo,2019-10-29 Getting By offers an integrated critical account of the programs rights and legal protections that most directly affect poor and low income people in the United States Insufficient popular understanding about programs and legal protections has contributed to a widening gap between paper rights that exist on the books and actual benefits that people can enforce on the ground A central goal of this volume is to empower individuals groups and communities to bridge this gap and in doing so to bridge gaps among those who are locked out of the American dream
