Managing Change By Burnes 5th Edition:

Managing Change Mark Hughes, 2010-08-13 *Managing Change A Critical Perspective* explores how and why change occurs in organizations and how the change process can be managed effectively. Complete with an appendix featuring twenty popular change management techniques, it is an ideal core textbook for change modules on HR and business degree programmes at both undergraduate and postgraduate level. It offers a critical perspective challenging the main assumptions and ensuring that the complexity of the subject is understood and appreciated. This fully updated 2nd edition of *Managing Change A Critical Perspective* includes new chapters on perspectives, power and politics, ethics, agents and agency, HRM and evaluation. Its revised structure reflects strategic group and individual change and a revised final chapter evaluates the practice and theory of change management. Online supporting resources include annotated weblinks for students and an instructor's manual complete with commentary on questions and cases in the book and lecture slides and additional case studies for tutors.

Managing Change, Creativity and Innovation Patrick Dawson, Constantine Andriopoulos, Steven Pattinson, 2024-11-06 Now in its fifth edition, this bestselling text brings a fresh and unique approach to managing organizational change, taking the view that change, creativity and innovation are interconnected. It couples a strong theoretical understanding of change, creativity and innovation with practical guidance and ideas for organizational change and development. With over 40 international case studies discussing renowned companies like Amazon, Canva, the NFL and General Motors, as well as new topics such as social innovation in the creative sector, this edition offers real world insights that resonate across industries. This book is a must read for Change Management and Organizational Change modules, as well as those focussing on creativity and innovation. Patrick Dawson is Emeritus Professor of Management at the University of Aberdeen. Constantine Andriopoulos is Professor of Innovation and Entrepreneurship and Associate Dean for Entrepreneurship at Cass Business School, City University of London. Steven Pattinson is Associate Professor of Entrepreneurship at Newcastle Business School, Newcastle University.
