Straight Lick J. Ronald Green, 2000-09-22 A critical examination of the films of Oscar Micheaux One of the most original and successful filmmakers of all time Oscar Micheaux was born into a rural working-class African American family in mid-America in 1884 yet he created an impressive legacy in commercial cinema Between 1913 and 1951 he wrote directed and distributed some forty-three feature films more than any other black filmmaker in the world a record of production that is likely to stand for a very long time Micheaux's work was founded upon the concern for class mobility or uplift for African Americans Uplift provided the context for Micheaux's extensive commentary on racist cinema such as D.W. Griffith's 1915 blockbuster *The Birth of a Nation* which Micheaux answered with his very early films *Within Our Gates* and *Symbol of the Unconquered* Uplift explains Micheaux's use of negative images of African Americans as well as his multi-pronged campaign against stereotype and caricature in American culture His campaign produced a body of films saturated with a nuanced intertextual signifying boldly and repeatedly treating controversial topics that face white censorship time after time topics ranging from white mob and Klan violence to light skin color fetish to white financing of black cultural productions

On the Real Side Mel Watkins, 1999-05-01 This comprehensive history of black humor sets it in the context of American popular culture Blackface minstrelsy Stepin Fetchit and the Amos 'n Andy show presented a distorted picture of African Americans this book contrasts this image with the authentic underground humor of African Americans found in folktales race records and all-black shows and films After generations of stereotypes the

underground humor finally emerged before the American public with Richard Pryor in the 1970s But Pryor was not the first popular comic to present authentically black humor Watkins offers surprising reassessments of such seminal figures as Fetchit Bert Williams Moms Mabley and Redd Foxx looking at how they paved the way for contemporary comics such as Whoopi Goldberg Eddie Murphy and Bill Cosby

For No Reason at All Jeffrey A. Hinkelman, 2022-02-04 The years following the signing of the Armistice saw a transformation of traditional attitudes regarding military conflict as America attempted to digest the enormity and futility of the First World War During these years popular film culture in the United States created new ways of addressing the impact of the war on both individuals and society Filmmakers with direct experience of combat created works that promoted their own ideas about the depiction of wartime service ideas that frequently conflicted with established heroic tropes for the portrayal of warfare on film Those filmmakers spent years modifying existing standards and working through a variety of storytelling options before achieving a consensus regarding the fitting method for rendering war on screen That consensus incorporated facets of the experience of Great War veterans and these countered and undermined previously accepted narrative strategies This process reached its peak during the Pre Code Era of the early 1930s when the initially prevailing narrative would be briefly supplanted by an entirely new approach that questioned the very premises of wartime service Even more significantly the rhetoric of these films argued strongly for an antiwar stance that questioned every aspect of the wartime experience

For No Reason at All The Changing Narrative of the First World War in American Film discusses a variety of Great War themed films made from 1915 to the present tracing the changing approaches to the conflict over time Individual chapters focus on movie antecedents animated films and comedies the influence of literary precursors the African American film industry women centered films and the effect of the Second World War on depictions of the First Films discussed include Hearts of the World The Cradle of Courage Birthright The Big Parade She Goes to War Doughboys Young Eagles The Last Flight Broken Lullaby Lafayette Escadrille and Wonder Woman among many others
